

Dear Harvest Partner,

We are entering an hour of most importance. There is great anxiety around the world over the war in the Middle East, fear of great energy crisis and religious, political unrest. Another great fear is a financial crisis looming on the horizon. One that would upset the world economies, bringing about an inflationary depression such as the world has never seen. (Rev. 6:5-8) When you read and study the Scrolls you will find the answer to these coming events. **We are seeing war preparation and rumors of war (Joel 3:9-10). - The nations in distress and perplexity (Luke 21:25).** And now a quote from Neal Frisby.

“The world is entering a terrifying, awesome and important hour. **The prophetic Scrolls have forewarned and predicted many events that have come to pass in our time! – Also scores of Bible prophecies have taken place too!** – Except for the final outpouring, harvest message and translation, most Bible prophecies left, concern and are to take place during the Tribulation period! – It just shows you how close the return of Jesus is! It definitely seems the stage is being set for the rise of the charismatic leader, the Great Tribulation and the Battle of Armageddon! – Also let’s not forget the soon rising of the spell binding false prophet (Rev. 13:11-15), bringing forth incredible and a bewitching era! – **The magic leader of false signs will eventually appear, talking to Israel with great plans and covenant!** – But first let us review some commonplace signs that are often overlooked, but are of great prophetic significance! – Religious signs: A warning of deceivers and deception. (II Tim. 3:13) – Another sign is, the apostasy falling away! (II Thess. 2:3) – **The sign of the scoffers of the Second Coming, that will not endure sound doctrine! (II Pet. 3:3) – They have a form of godliness, but they are Laodicean and will be spued out! (Rev. 3:14-19)** – By prophecy these churches will combine into a huge super world church looking for a strong man...They will get their answer in the coming of the anti-Christ who at first is of lamb-like qualities, but who later speaks as a dragon of master deception! (Rev. Chap. 13 – II Thess. 2:4) End quote.

The Lord teaches us not to fear. Have faith in His word and He will keep you during the hour of temptation. And now another quote from Neal Frisby: “This message will build faith to confront any problem! – Many people are afraid to enter each day! To the world the signs in the heaven and earth portent a message of fear, anxiety and perplexity! But to the elect they mean joy because redemption is near! – **Satan is always lurking about you – in your activities, at home, neighborhood, etc., looking for an opening to strike. – Remember he found a loophole when he discovered the fear that Job had in his life! – Fear was the only thing that he had not overcome!** The Bible teaches us to be cautious, mingled with wisdom, but not to be fearful! – The disappointing testimony is recorded in Job 3:25-26, ‘For the thing which I greatly feared is come upon me. And that which I was afraid of has come unto me!’ – He was in trouble and had no rest! But the day came when Job realized that God had all power over fear and sickness! By confidence in God’s word he was relieved of fear and lived 140 years more in health and prosperity! (Job 42:12, 16-17) There is much more that can be added to his story, but this brings out an important point!”

“Always remember that God has not given us the spirit of fear, but of power, love and a sound mind! (II Tim. 1:7) – The beginning of your miracle is within you! (Luke 17:21) **Believe within yourself, strength will be released! – Say God’s abundance and peace is within me, fear will depart!** – The key is absolute confident faith in the right way of thinking! – ‘As a man thinketh in his heart, so is he!’ (Prov. 23:7) – John 14: 27, Jesus positively said His peace is left with you completely! – ‘Let not your heart be troubled, neither be afraid!’ – An absolute commandment! – **Don’t be dismayed, but full of courage! (Josh. 1:9) – ‘Trust in the Lord with all thine heart,’** (Prov. 3:5) also reveals don’t let human reasoning frustrate you. – **Now this is important, build a good strong systematic prayer foundation! – Prayer means ‘worship,’ seasoned with praise and thanksgiving!** – This will relieve tension, worry and anxiety! – Faith to be valid must be anchored on God’s promises! – The Lord delivers us from all afflictions! (Ps. 34:19) – Remember this key Scripture, David said, He heard me, and delivered me from all my fears!” (Ps. 34: 4) END QUOTE.
