

Dear Harvest Partner,

Before we go into a special quote from Neal Frisby about the scrolls I would like to speak about conditions upon the earth now. Many events taking place are preparing for the events that truly lead this world into utter chaos. Weather, financial conditions, earthquakes and volcanoes and also Brother Frisby wrote, a shifting of the earth's axis effecting the magnetic poles directly tied to global warming. Researchers say events affecting the sun may trigger a reversal in the magnetic field of the sun causing it to get many times hotter, which will affect the earth's rotation on its axis. (Isa. 24:18-23) The scrolls point to this very event. More on this later. **In searching Brother Frisby's writings Scroll 26 and 27 keep coming up. The importance of these two scrolls to the Bride should be reviewed by those who have them, and those who do not have them should ask for them.** And now a quote from Neal Frisby:

No matter what you are doing now, don't do anything else until you have read all this letter from top to bottom. You will receive a blessing! I must mention right at first be sure and ask for the two scrolls (#26 and 27). They are the most remarkable work of the spirit I have ever encountered! Jesus revealed they are the most important I have ever written – "The Silence" – And I will possibly never write two as vital as this again! These two scrolls are a special key to your future. The ones who receive these scrolls will receive the finest blessing they ever received in a lifetime!

As I was writing these last two scrolls I felt like I was in heaven and yet upon the earth! I've cried, prayed and waited for many years to receive what He told me to write! I will never be the same again and neither will you when you read the two scrolls. I feel relieved, I knew I was right and my calling was sure! Christ took my hand as I wrote, and my eyes seemed like fixed lightning when HE SAID BEHOLD I AM THE LION OF THE THUNDERS! (Rev. 10:3) This is the key scroll to finally let you know what God is doing with the scrolls. With this scroll message will follow the greatest revival the Elect ever witnessed! **"Behold saith the Lord I have promised my people hidden manna at the end!" I will fulfill this in such a way that only the Wise will know what I am doing. The Elect will receive a sealing from my spirit to hold the oil of power in during the hour of temptation! Lest they miss my appearing also. Behold I will anoint them through this message of power! I shall establish them in Word and wonders! I will make them a mighty people; my anointing shall burn within them! They shall be blessed among the nations and shall receive the revelations of the Lord. I am He who hath no beginning and no end to my sheep (the faithful ones!) Here is wisdom; He that readeth and believeth the next scrolls hath gained more than the world. For this is the hour I have chosen to reveal this! Behold ye will be a candlestick giving light to those around you! Behold my eyes have watched thee all of thine life, I have seen thy trial and heartbreak, and I hath seen thy blessings. The eye of the Lord hath seen it all! Yea my Elect will believe this! I told Daniel to go his way and seal up the words until the end. And the Wise would understand but the foolish would know nothing! (Dan. 12:9-10)"**

This letter is to my personal friends I first wrote to. We are printing many scrolls and I know He will direct them into the hands that are to receive them. A prepared people! The message is to the Wise and not the foolish of the world. What an honor to those who believe they are called and chosen to help do this. Did you know some of you God has had His hand on you all of your life for a particular work? You possibly felt through many things that confronted you that there had to be a reason for it. I believe helping me in this message was what it was for many of you. Jesus will not overlook this and is preparing a blessing for you in heaven. Through this I sought God in such a way until the house quaked! I learned more wisdom and some valuable secrets from the Lord. (I spent many long hours with Him and was shown how He is going to seal and rapture the Bride.) I know why John could not write (Rev. 10:4). Truly the majestic Christ is so powerful in our midst! These two scrolls are God's own wisdom to you. No wisdom in the world could know this. A masterpiece of His knowledge! Jesus is about to do something that seals the Bride.

Listen, the Lord tells me to write this! "To him that heareth the door openeth, and the Sheep hear His voice. (And He calleth His own by name, and leadeth them out. The Sheep follow Him for My Sheep know my voice and I know them, and they follow me and I give them Eternal Life. They shall never parish; neither shall any man pluck them out of my hand! He that hath an ear let him hear what the Spirit saith unto the people. And to him that believeth he shall walk with Me in white!" END QUOTE

Reading this letter was a great uplifting of my spirit. To know that Jesus is watching over each and every one of his Elect who is so very important to Him. I've recently run across a wonderful sermon which was not released but set aside for this very hour called "Great, Amazing, Glorious Rewards!" You will not be the same after listening to this great message! It will be on CD and cassette. It explains the rewards that Jesus has for each and every one of us. **This month we are releasing a book called "The Tree of Spiritual Fruit."** – Send your prayer requests. I'll be praying all month for Brother Frisby's partners.

Jesus love and keep you,

Gerald Frisby
