

Dear Harvest Partner,

This month we will continue with a little bit more of the problems facing the world. Now and between 2008 and mid 2010 the second major cycle changes come at this time. A great distress is already perplexing people. Here are a few reasons to validate what the problems are. **The large debt held by governments and the people. Almost every individual has a major debt seemingly with no way out.** The U.S. dollar has fallen to one of its lowest levels. Some say the U.S. dollar has lost about 97% of its purchasing power. Originally in 1913 the U.S. dollar was worth 1/20th of an ounce of gold, or \$20.00 an ounce. Today, as of this writing, it takes almost \$700.00 to buy an ounce of gold. This depicts accelerated monetary inflation. This problem runs along with a shortage of resources, which has escalated into a resource war. The resource war shows us that Russia and China are moving into the Middle East. The U.S. as well, is in a strategic war over the oil and precious resources. Energy, metals and food have all risen in price.

These major events will come to the forefront before the year 2010 and thereafter. In the scrolls Brother Frisby wrote of events that seemed to be unspeakable before the Tribulation, but is even worse during the Tribulation. This is a quote from Scroll #9... **“The Bible states there never was a time like this.** The nations are preparing for it now. The tribulation scenes will be too horrible to mention here. For some it will be a repeat of what happened to the Christians of ancient Rome. **For not obeying, I foresee some of the foolish virgins of the lukewarm gospel face this because they rebelled against God’s prophets and would not come out from among the Dead Systems before the rapture and was left in tribulation.** It will be agony for the people left but entertainment for the warped crowds. People will be like animals, in unspeakable debauchery. (Nudeness will become more popular every day now because satan rules supreme.) **“Pray saith the Lord that you will be worthy to escape this, for it cometh! I have spoken it and not a man.”** (God will take His chosen away.) Only the Jews and the foolish virgins who would not accept 100% of God’s word are left. Even then the mercy of the Lord will protect many in hiding. (Watch, I say lest I find you sleeping!) **Finally the extreme picture of this is Zechariah 14:2.** Remember at first it comes as an angel of light, like unto God, but is then transformed suddenly to a ferocious beast.” – “Everywhere we look we see God’s signs warning people the age is terminating. In every direction on the globe we see prophecy fulfilling! We are reaching the turning point in world affairs! It stands before all nations!” – “The anti-Christ system is preparing to bring about changes and are going over subtle plans even now!” – “Also on the other hand we are entering the turning point for the elect! – The Lord will be working in bringing in new ones from the harvest. He will give a refreshing anointing. We will walk in the miraculous more so, preparing us for translation! We are turning the prophetic corner and Jesus is coming very soon!” End quote.

And now the Lord speaks! **“Try me saith the Almighty. Prove me in this message. – Behold I am the Lord, I knoweth thine heart O people, for in it ye have wondered about the mysteries of my word and my will for you. Take heed to my servant and listen closely, for in him I shall establish my wonders. I shall give him a Mighty people and a Great company, and they shall be blessed among men and women to know the Revelations of the Lord! For I am He that hath no beginning nor end to my chosen, who are called Faithful! Now, here is wisdom – He that heareth and believeth has more than golden riches! Pray lest you miss me when I speak. For my eye is on my people. For they are the wise, Daniel my servant saw. They shall shine like the stars forever!”**

Your help in the summer is really needed. Do the best you can this month. I will be releasing a special series in the coming months concerning the anti-Christ coming. For all those who write this month I will send two new Special Writings by Neal Frisby called **“Prophecy - The Coming New Society”** and **“The Prophetic Parable of the Wise and Foolish Virgins.”** (Also ask for Scroll #100 if you do not have it.) Also I have a wonderful DVD called “Hard Cases Healed” this month. I’ll be praying for each and every one of you.

Gerald Frisby
