

Dear Harvest Partner,

We will continue the series on the coming of the anti-Christ. Recently it has come to my attention that several of the countries that will be involved in Armageddon are coming together through world trade especially with Iran and many other Middle East countries. **They have strong ties in their investments in Iran. China, Russia, Japan, India, Germany and all the Asian block countries and all of these Brother Frisby mentioned would come against the anti-Christ at Armageddon. It will be the North, South and East against the West.** Now it is very evident that this strong connection with Iran will be very difficult for the United States to pursue sanctions or even a war against Iran. – Iran has allowed these financial concessions in order to receive protection promised from these countries against the West, as well as having a huge market for their oil, also guaranteeing the development of their country. These countries will defend their investments unless major concessions are made. A gathering of these major players brings us closer to the return of our Lord Jesus Christ. Global economies are heating up at such a rate that a major bond market crisis is looming on the horizon linked with a falling dollar and a huge derivative market. These combinations point to an impending financial disaster that brings the world together under the anti-Christ system. – **Now we're going to talk about the weather and nature signs. Surely the weather is one of the greatest signs of the end of the age.** Floods in one area, droughts in another and huge wildfires burning all the time due to severe drought conditions in many parts of the world. Many record high temperatures have been recorded around the world causing severe problems along with earthquakes and active volcanoes. **And now a quote from Neal Frisby concerning the anti-Christ.**

NOW WE SEE HE COULD BE PART JEW, “but what else does the Scriptures reveal about this figure? It reveals some Gentile blood, too! – There are some well-kept secrets in the Old Testament concerning his rise!” “Isa. 14:2-4 calls him the king of Babylon, and reveals what he does to the earth! (Verses 16-19). And yet in verse 25 the Lord reveals him as the Assyrian! Verse 26 reveals this is God’s purpose! – **How can this be? Well, because ancient Babylon took over the Assyrian Empire and it became part of northern Babylon!** So it reveals that he is an absolute mixture, but being dominant from the Assyrian line!” – “Isa. 10:5-14 proclaims some vital information! And we see that it is the anti-Christ because verse 12 reveals that it is at the time the Lord performs His ‘whole work’ upon Mount Zion and Jerusalem! – Also Micah 5:5-6 reveals this false king from the land of Nimrod, meaning Babylon! (Read it) – Micah 7:12-20 touches on it slightly as the age closes out! Altogether it sounds like he is a Jewish Arabian prince!”

THE LITTLE HORN “is depicted as coming from the direction that we just described, northeastward of Jerusalem!” (Dan. 8:8-12) “The angel discusses the same thing in verses 21-25! – It mentions the king (Alexander) of Grecia! – **Wherein we explained before out of one of the 4 parts of the ancient kingdom of Greece will come forth the little horn (anti-Christ) and he will revive not only the Grecian Empire, but the Roman Empire as one!** – This evil star will rise from this area, or he will have to go there in the direction of Syria-Iraq (Babylon)! Ancient Rome once controlled all this same territory so he is still a Roman prince too! (Dan. 9:26-27) “He will have power over the Moslems, Jews and all religions!” – “Someone may ask the question, could he be a Pope? The papacy would have to be completely changed and come up under another title! – **The anti-Christ evidently usurps this position and controls all religions and nations from the Middle East-Jerusalem area!**” – **“No matter how you look at it, the evil star will eventually be in the Middle East area! (Dan. 11:45)** – The Lord reveals what I think is the answer and will write more later!” – “Also to substantiate much of what has been written, Rev. 9:14-21, reveals much activity will take place on the great river Euphrates in the closing hours of the age!” – “This is written to warn all that a great temptation and trial is coming upon the earth real soon like a snare overnight!” (Luke 21:35) – “So take heed and thank the Lord Jesus that you were able to know these truths in advance so that you can prepare!” **End quote. . . We will have to continue this important series on the next letter concerning the false prophet.** The rapid development of world events means there is just a short time left until the harvest is ended. We agree with the words of Jesus that this is the last faithful generation! (Luke 21:32) So we must work quickly!
