

Dear Harvest Partner,

Many events are pointing to the soon return of our Lord Jesus. **This planet has entered into a severe crisis. We are entering the final moments. The gospel net is closing.** We have an opportunity to finish this quick short work that was prophesied to come. This may be one of our last opportunities to witness to as many as possible. That brings us to the great opportunity that the Lord has provided; **shipping a large amount of gospel literature to our beloved foreign partners who have been patiently waiting and praying for more of this great message to come their way, before the crises that is to come upon the world, limiting our opportunity to publish this vital message. I feel a great urgency to push forward with this important project.** As we pray together in unity God will see our every effort fulfilled.

The curtain is closing on a planet in great peril. Severe shortages in oil and all resources, even food. The price of wheat has passed over \$9.50 a bushel; a new record! **This points to the black horse that will soon ride. (Rev. 6:6) All vital products are now inflating in fear of these shortages.** Every nation is hurriedly trying to obtain these valuable resources. This is an exact description of today with people in perplexity, without resources, not knowing which way to turn. – Luke 21:25. – The U.S. is in the Middle East desperately trying to secure the oil region so that supplies continue. Russia, China and other nations are pushing in the same direction. I feel there definitely will be a confrontation over these resources as well as the trouble with Iran. The United States and all nations have entered into one of the darkest hours. – **A crises that has never been the likes of before, bringing an opportunity for the anti-christ to appear as a great saviour, out of all the chaos to come.** The Scriptures are plain that the Christians are asleep to these events to come. (Matt. 25:5) A great snare has been prepared. (Luke 21:35) But now I'm going to let you read a quote from Brother Neal Frisby.

“There has been economic problems, droughts, quakes and storms seemingly everywhere! – There will be more tragedies, crises and disasters. **A flood of different events have occurred in the nations, crises, tragedies, and so forth; this is just the edge for many more will be occurring soon!**” – **“So ye in like manner, when ye shall see these things come to pass know that it is nigh, even at the doors!” (Mark 13:29)** Mark 13:34-37, verse 34, “reveals Jesus was like a man taking a journey and gave authority to his servants and to every man his work, then they were commanded to watch!” – “Watch ye therefore: for ye know not when the master of the house cometh, at even, or at midnight, or at the cockcrowing, or in the morning! Lest coming suddenly he find you sleeping! And what I say unto you I say unto all, Watch!” – Matt. 24:44 says, “Be ready, He will come in such an hour as ye think not!” “We are entering this vital and watchful hour now! Time is shortening!” – In St. John 14:2-3 Jesus reveals the mansions are prepared, and says I will come again and receive you unto Myself!” – “This will absolutely take place!” – **Verse 1, “And as the age closes He promises strength instead of weakness for us as we unite together in love, prayer, unity and faith!”** – Eph. 6:10, “Finally my brethren, be strong in the Lord, and in the power of His might!” “We are entering the shadows of twilight time where the world turns one way and the Elect goes up!” End quote.

We are certainly at the crossroads of time! What an exciting period to be fulfilling the work of our Lord Jesus as we publish this timely message that is so vitally needed for the Elect, for they are the ones that give the midnight cry that will alert the wise to the hour that we are living in. The wise have the Word, but they were slumbering along with the foolish who were asleep. I have just come across some very vital notes that Brother Frisby left. One of our new Special Writings will be called **“THE FOUR WATCHES.”** You will not want to be without this vital script. It brings out much more than we were able to provide in this letter. It will alert you with a vital anointing of the Holy Spirit. He will bless all who read this important message. – Also I'm going to release another valuable Special Writing called **“WHO WILL LISTEN?”** This script is rich in valuable information that will help each individual understand why the conditions are like today. **We must testify of the age closing and the soon return of our Lord Jesus! We are called His witnesses. (Isa. 43:10)** – I want to personally thank each and every one for your valuable prayers and support of Brother Frisby's ministry. I know you will do your best this month. All who write will receive these two valuable Special Writings. Now available, a new DVD called “Marvelous Promises” – A wonderful experience that I know you will enjoy while viewing this DVD. Don't forget our project to publish and send Brother Frisby's messages in the large cargo container that will be leaving soon. – May the Lord richly bless and keep each and every one of you. Send in your prayer requests and I will be praying with you that the Lord will answer your prayers.

Your Brother in Christ,

*Gerald Frisby*
