

Dear Harvest Partner,

In this letter we'll continue with more events leading up to the future just before the Lord returns and just before the Great Tribulation starts. **Before we go deeper into this subject we want to re-cap this last month which has been a month of tragedy and disasters.** We won't cover all of them but we will cover two of the most devastating events. First the Myanmar cyclone. The death toll will exceed more than 78,000, also affecting with 2 ½ million displaced from their homes. Next the great earthquake in China. At this particular moment there are more than 70,000 people dead; 5 million without homes. The damage for both of these great disasters is in the billions of dollars. **As of April of this year weathermen have reported almost 700 tornadoes in the U.S.A. The average per year is slightly over 1,000 tornadoes. So one can see there are many more to come as the tornado season has barely got started!** We can mention a few: Oklahoma City, Atlanta, GA., and as of this writing Iowa and Minnesota causing loss of life. I Pet. 4:7-8, "But the end of all things is at hand; be ye therefore sober, and watch unto prayer!"

The Bible gives other signs to watch for as the age ends. Pestilence, Matt.24:7, poisons, new plagues and diseases. Finally it will culminate in judgement. (Rev. 16:3-11) Another sign to watch for is severe drought with rising food prices. – **Next month I will be bringing to you a subject of vital importance concerning God's promises on the oil and the meal.** During a time of financial problems, during a time of food shortages, during a time of great perplexing problems, just as when the woman met Elijah and gave him the last of the oil and meal, her supply never ran out during the time of that famine. Again we are approaching the same conditions just before and entering into the Great Tribulation. This same event will occur again only in such a way that people will miss the event until it's right upon them. Millions will be left hungry as food prices rise. World food riots have already taken place. **The U.S.A. also will be facing social and political unrest as well as civil disobedience.**

All of these major events have been building since the beginning of time. And God has always had a plan for His people. This is one of the reasons that this letter and my next letter will be so important to bring about an important event that happened in Neal Frisby's ministry. **This event will carry you through all of the severe economic and food shortages to come; placing your faith in the Lord Jesus as you read about this wonderful event. – Luke 1:37, "For with God nothing shall be impossible." – Jer. 33:3, "The Lord commands, call unto me and I will answer thee and show thee great and mighty things which thou knowest not!"** All of these anointed words will create faith in your heart to receive.

This month I am releasing two Special Writings. One is called **"God Provides and Blesses His People."** This will prepare you for the coming crisis and chaos that this world will be facing. Also the other one is called, **"The Prodigal Son and the Sinful Nations."** This also ties in with all of the subjects that we have been writing about. One of the reasons, especially for the trouble in the U.S., the titles says it all. We have spent our future and our children's future and the world is living in an immoral and sinful way. As always this kind of condition brings about judgement from God. I will let the special writings do the rest of the talking. All who write will receive these two Special Writings. At no time has there been a more vital message! – This month the DVD will be called, "Run Prophecy Run!"

I'm asking you again to support the ministry with your prayers. I have some vital projects coming. I will need additional printing equipment as well as to pay for technical support for the new web site that we're designing. Do the best that you can this month. The Lord will surely place a blessing upon you for all your effort and kindness towards this ministry. These two Scriptures come to mind that I have read many times, Deut. 8:18 and Mal. 3:10.

Your Brother in Christ,

Gerald Frisby
