

Dear Harvest Partner,

I want to thank you for all the kind and wonderful words you wrote about my brother Neal and the cards you sent. I know Brother Frisby would have loved every one of them. He treasured every letter you ever wrote him and prayed faithfully about each request that you put in them. One time my brother spoke about the name God gave to him (Neal). **Neal means champion and truly Neal was a champion of the gospel of the Lord Jesus Christ! - A defender of the true word of God in the last days!** Brother Frisby was not afraid to explain mysteries known and unknown. This being one of the great gifts that God gave to him to explain all mysteries that came before him. Surely this is evident with the scrolls, books and audio sermons and especially the video sermons. There are too many to list. **Truly the seventh angel did thunder in this last day ministry of Neal Frisby. Rev. 10:7, "But in the days of the voice of the seventh angel when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets."**

I would like to quote here a special part of scrolls 26 and 27 Bro. Frisby wrote that I feel will bless you and tell you of the importance of his ministry. - **THE SEVENTH SEAL** was opened and there was a silence in heaven about the space of a half-hour! How long this is in God's time is not certain. (Rev. 8:1) And when the 7 Thunders uttered their voices John was about to write and a voice said seal up what the 7 Thunders uttered and write them not! But this will be written and fulfilled under the 7th Seal! God will reveal what those 7 Thunders uttered. "John wrote on Biblical (scroll) parchment." But in (Rev. 10:4) he was told to seal up a vacant (unwritten) scroll message. (*Because it would be written and sent to the Bride at the end!*) (Rev. 10:4) The 7th seal which seals the Bride with God's signature "**THE LORD JESUS CHRIST**" (St. John 5:43) the Holy Spirit sealing of the 7th Church Age - (Thunder! Sealed!) - See, it was quiet in heaven; all activity was in the thunders on earth (Rev. 10:4). He had left the throne to claim (seal) His Bride and later possess the earth and the 7 Thunders is when the unwritten message is fulfilled! The vacant space that was closed up is to be revealed to the Elect at the end of the age! - "Although I speak of my part I do not speak of myself alone. But this space is for all those in the Bride work! (for you) and all that the spirit seals in!" This part of the Bible was hidden and will be "fulfilled in God's saints" at the end! Let me make this plain right now unless I'm attacked. This 7th seal and these "7 thunders" are not just connected to this one thing! - Secrets leading to the rapture take place here, the other 6 seals finish here, the 7th Church Age finishes here! With Christ among the 7 golden candlesticks! (Rev. 1:20) The 7 star messengers finish here! The 7 trumpets and the 3 woes end here. The Two Witnesses appear here, the 7 last vial plagues finish here! (Rev. 15:8) It contains all the written and unwritten mysteries of God which are fulfilled in the 7 Thunders. "The Key to interpret the secrets to the book of Revelation." This is God's greatest seal, the seal that was hidden from satan and revealed in the unwritten Thunders! **THUS SAITH THE LORD, THIS IS THE HOUR I HAVE CHOSEN TO REVEAL THE UNWRITTEN THUNDERS!** (Rev. 10:4) It looks like John's unwritten scroll will have a message on it after all! Satan didn't know how God was going to do this, it wasn't even written. (Rev. 10:4) This part of the book of Revelation was unwritten, hidden from satan. Satan knew about everything in (Rev.) but this empty space left that John sealed up! The mysterious 7th seal 'silence' unite with the 7 Thunders, and John's sealed up secrets will be opened with a written message! So what is happening right now in front of the churches eyes is partly the 7th seal silence and (Rev. 10:4)-**The third call (last pull) is when God seals the Bride!** (Don't misunderstand me, there will be others in heaven who do not receive the scrolls.) But the scrolls are sent to a special group who believe and are sealed for a special anointing! **They support and help give the cry (Matt. 25) They are a candlestick giving light!** (Rev. 1:20, Matt. 5:14-16) Some will have a personal testimony or gift. (I know this is true, but it has been and will be so secret and "anointed") satan won't even know how to stop it, until suddenly the Bride is sealed! The 7th "seal of life"! (Or death to the world.) We won't have to persuade anyone to be on my list. God will choose and send them! "Behold saith the Lord read - Heb 12:23,25-29) - **I Neal a messenger of Jesus Christ salute you all.** (Amen)- End quote. (Please read all of Scrolls 26 & 27 if you have them. If you do not, please ask for them and we will send them to you.)

Brother and Sisters, we are at the Midnight Cry (**Matt. 25: 6-7**). Bro. Frisby had a clock in one of the rooms. A while back he had me put the clock at 12 midnight. I knew then that we had entered the Midnight Hour. Now is the time to witness as never before. Let us work together while people will still listen. Due to the importance of this letter we will elaborate next month on the projects that are underway to promote and send out this valuable ministry according to the plans of Bro. Neal Frisby.

New **Scroll #320, Part 1** is ready!- Bro. Frisby left us with this writing to be made into a scroll. Because of it's length it is in two parts. Be sure and write for your copy. (Next month we will have Part 2 ready.) Jesus will certainly prosper and bless you. We will remember you in prayer.
