

Dear Harvest Partner,

I'd like to refer back to our August and September letters about the weather. Since our last letter we have seen the catastrophic destruction in the Gulf States, New Orleans and the Mississippi area. The desolation was so great that it overwhelmed the disaster relief people. It was an hour of great confusion (Luke 21:25). Brother Neal Frisby always added **"they would be without resources, not knowing which way to turn."** An exact description of today's events. – Let us remember these people in prayer in their time of need. The Lord will bless those that help those in need.

Concerning the weather, this remarkable quote you about to read from Brother Frisby was written May, 2004. – Quote: **"This is an amazing prophecy showing the past, present and the future. It will more than quadruple in this decade! The winds, typhoons, flood and quakes will practically overcome this planet.** I've done my best as far as forty years ago to warn them. In some places the droughts will overcome whole populations before help can come to them. In some regions it will get so hot it will seem like the heavens are on fire! – And other places it will get so cold until they'll think the arctic moved in on them. **The Lord told me the earth is coming under an unbalanced situation.** Without His loving hand it would all go! Each one of you can count on my prayers and He will keep you through any test and any blessing. So be prepared for all things are ready!" End quote.

While Brother Neal Frisby was in his last hours he was praying for his partners that the Lord Jesus would keep them in all events that were about to happen and to hold them until He comes. **Each and every one of you was very important to him for Jesus revealed to him how dear you are to Him!**

Many questions have been asked.....The death of Brother Neal Frisby, a noted prophet, denotes the end of the Gentile era. And judgment will accelerate as we have already seen. In one of his last scrolls he quoted, **"You will not believe what is going to happen and what you will see in the very near future."** A major sign was given to the U.S.A. and world. It is time to warn your fellow brethren that the Gentile age (era) has come to an end. A transition period is about to begin. We now look for the two prophets to appear to Israel. – So you see we only have a small period of time to get Brother Frisby's message to people who don't have it. **For those who help there is a great reward while here on earth as well as in Heaven. Jesus will not forget you.** – Also we want to remember all of our foreign partners. Brother Frisby truly cared about you and we are concerned about getting the message to our overseas partners. (Some people are saying things that are not accurate since Brother Frisby went home to be with the Lord, concerning his work.-The wise and the Bride know who Brother Frisby was and will not be taken in by any other inaccurate statements made by others. More on this later.)

Here is a quote from Brother Neal Frisby on "the heart of the gospel." – **"The heart of the gospel is to love the Lord thy God with all your heart first (Deut. 6:5). And the second thing is forgiveness and giving. Giving (Deut. 16:17) means giving any way that you can and forgiveness (Luke 6:37) the same way.** Because at the Cross He gave his life. He gave everything that He had. And at the Cross - He said forgive them for they know not what they do. In fact, the whole gospel foundation is based on forgiveness and believing the Lord giving and forgiving and to love the Lord thy God with all thy heart. You do these things and you'll never fail. Read I Thess. 5:23-24."

This month we will send you a New Special Writing called "Paris and New Orleans" written by Brother Neal Frisby May of 2003. You don't want to miss it! Salvation, healing, prosperity and health are for God's people! Believe this and He shall supply your needs daily, and shew thee great and mighty things! (Read Jer. 33:3) Please don't forget us in our projects and new ones also. We have much to do and time is short! And send your prayer requests and we will personally prayer over them!

Your Brother In Christ,

All three new cassettes/CD'S, \$15.00 donation:
