

Dear Harvest Partner,

This has been a multiple-event month. First the hurricanes and now the financial crisis that we spoke about in the past letters. There have been so many events and tragedies this month. – **The financial system as the world knows it has ended. Great changes have been made through bankruptcies and mergers of the most powerful financial institutions in the world.** This will bring about a huge political and religious shift. As of this writing they're trying to put together a rescue package of \$700 billion in order to bail out Wall Street and the investment banking system. This amount will not satisfy the total damage to the banking system. If they do succeed in the \$700 billion plan this will be inflationary on a worldwide basis. If they don't agree to the bail out plan it will definitely mean a recession and a large rise in unemployment. **Just before the Lord returns He spoke about the enormous troubles that would perplex the world. (Luke 21:25, 26 & 35)** These events will eventually bring the anti-Christ and his system to the forefront. And now a quote from Neal Frisby.

Commercial Sign – “Because of the money lenders – banks, corporations, governments and deceptive easy credit, it will bring the nation to the brink of disaster, changing the world! Because of the way it's been done the debt is enormous and owed to other nations. Who will finally and really own it? – A dictator anti-Christ system blending together in Babylon.”

The Future is Now – Luke 21:28-31 – **“And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh!”** – “Jesus had been revealing all of the signs concerning war, quakes, famine, inventions (atomic) powers of the heaven shaken (vs.26), the erratic storms, weather, signs in the heaven and moon (one sign...man landed on the moon!)” – “vs. 20, he described the armies in modern age now surrounding Israel! Because desolation was right at hand!” – “He spoke that Israel would be a young nation again in the land, in our time! (vs. 29-30) – He said when you see all of these things happening in the same generation!” (St. Matt. 24:32-34) – **“He was even at the door! In fact he said He would be coming in our generation because we have seen these things all take place together! Time is running out!”** – “The past, present and future are converging together! Humanity is at a junction! The world is at the crossroads of decision, the ark door is slowly closing, a fire is resting over Sodom (our modern day cities), the storm is coming and most men are not prepared! The Lord of the harvest is working swiftly; it is the last harvest of the elect! This should make every Christian a watchman unto prayer! Divine knowledge and prophecy cries out! **‘But ye, brethren are not in darkness, that that day should overtake you as a thief! Therefore let us not sleep, as do others; but let us watch and be sober!’ (I Thess. 5:4-6)** The night cometh soon; the midnight hour! . . . And in a moment, in a twinkling of an eye it will be over!”

Prophetic Utterance – “Behold saith the Lord of Hosts, the reason I have written this is to awaken clearly the minds of My people and to alert them! It will surely come to pass, and those that believe and love Me will escape all of these things! And I will comfort them and receive them unto Myself soon!” End of quote.

Concerning the weather, the magnitude of the damage has not been fully evaluated. The pain and suffering of all countries and our fellow Americans caught in the storms' path have suffered many losses. I'm asking all of our partners to pray, especially for those people who desperately need our prayers. And I know Jesus will answer our prayers and send them help in many different ways.
