

Dear Harvest Partner,

In this letter we'll take a look at what amount of time is left. We know the second coming of Christ is even at the door. **The true word of God and prophecies given in the Bible speak about "when you see these signs all around you that the end is near."** Today as we look at all of the worldwide complex problems that they are facing, we see all nations struggling to fix this enormous financial problem. I will place this in plain words so that we will know the severity. It is evident now that this is a severe nuclear financial holocaust. When a nuclear device is detonated there is no humanly way to stop it. It is the total end of the financial world that we all know. The more trillions that they throw at the problem only make it to be a bigger problem. It is now evident that our trading partners who have loaned the U.S. trillions of dollars by buying our bonds are seeing their value being inflated away. **They are looking for ways to create a new currency. This will end the dominance of the U.S. dollar worldwide. Already Russia, China, the Middle East and many other nations are calling for a return to a gold standard to solve the financial crisis.** Because of this event coming we will take a look at the last period of time associated to the mark and gold. We know we're already into the 17-year cycle, which will bring us into the next 7-year cycle beginning 2010 that will ultimately bring us to approximately the year 2017. **The next four years will ultimately see the Gentile age change completely.** That would take us approximately to the year 2013. Now if we go back in time, the Jewish Temple was destroyed in 70 AD and the sacrifice was ended. That was a 70 year period. So if we take Israel possessing the land again in 1947 and recognized as a nation in 1948, where again they were able to make their sacrifices in their homeland, now we add the 70 years back to 1947 and 1948, we come out to the year 2017, or 2018. Remember the last 7-year period begins in 2010. Now adding the 7 years to that number becomes 2017. – **All of these numbers will give us a time or season to the conclusion to the return of Christ, the anti-Christ in complete power and finally the great Battle of Armageddon.** I have in the future, letters coming concerning the secret to the Great Seal on the dollar, the Capstone Message, and the great judgment that is to follow these events. – **This letter should give you a total scope on the valuable time that is left for the Elect to work and witness to as many as possible.** Before we go to a valuable quote from Neal Frisby I would like to share with you a little experience I had with a fig tree. I planted one while it was dormant and I watched it regularly. All I could see was a little bud, but no growth. I took 3-4 days off and when I came back, to my surprise there was a leaf coming on fast and within about 7 days there was a fully developed 10-inch leaf! Amazing how fast this had happened! Now this brought me to something that Brother Neal Frisby had written about **"The Budding of the Fig Tree Parable"** – Means after Israel returned to their homeland (1948) then the rest of the signs would be fulfilled shortly showing His coming is nigh! (Matt. 24:32-42)" – Brother Frisby's last writings concluded the year 2017. So let's pay attention to this timely quote from Brother Neal Frisby.

**"The Clock is Ticking"** – Israel is God's prophetic timepiece! And it has been said Jerusalem is the minute hand. The Scriptures compel that time is running out for the Gentiles! – Luke 21:24 is fulfilled! The Jews reclaimed the old city of Jerusalem. (1967) They now want it as their capitol. Seemingly the nations are disturbed about it, especially the Arab. Why? – Because it is a sign that time is short for Satan! (Rev. 12:12) As the fullness of time for the Gentiles has come in, also the cup of iniquity is being reached! – **Dan. 8:23, "When the transgressors are come to full a king (anti-Christ) of fierce countenance and understanding dark sentences shall stand up!"** The way that this is worded is as though he has been around for some time but suddenly takes his position! It says he understands things that are hidden to others! This covers a wide range of subjects. He is like a stored up computer with his ever-ready knowledge, and wickedness covered up by religion, peace and good intention! – **He will have a line of propaganda that the earth has not quite heard yet! Working hand and glove with Satan he is none other than a super con man according to Ezek. chap. 28, glorified with worldly supernatural wisdom; he is an economic wizard and a sharp trader that will finally lead to his downfall! (Dan. 11:36-45)** – With his peace and prosperity plans he absolutely deceives the nations for a short period! – By what is happening around Israel we know that the end is near, and Jesus' return is soon!

**"The End of the Age Signs"** – The Scriptures bear out that just before Jesus' return that Russia would be a strong power in the North. And that this power of the North would suppress Israel on each side. This is in fulfillment! – One nation in particular has been Syria! Another sign is the Chinese expansion in industrializing. Japan, and the kings of the East, etc. (Rev. 16:12-14) – Another sign is the 10 nations coming together to give restoration to the old Roman Empire! (Rev. 13) – This is called the Common Market of Europe! Also remember the Middle East was finally under control of the Roman Empire wherein the false prince stands up and finally rules the world from during the Tribulation period! (II Thess. 2:4 near or in Jerusalem – Dan. 11:45) – End quote.

We're truly beginning to get the full picture that was written in the Scrolls pointing to the exact events and time that we're living in. Which brings me to these new valuable releases, Special Writings called **"The Handwriting on the Wall – Prophecy"** as well as **"End Time Prophecy."** Also I am releasing a new DVD called "World Changes" (See offer below.) – God has many wonderful blessings for His people for their effort that they have shown in publishing this wonderful message. May Jesus bless and keep you in the days ahead.

Your Brother in Christ,

*Gerald Frisby*
