Dear Harvest Partner,

What a catastrophic event that has taken place on March 11th, the date I posted in our March 2011 letter about the beginning of a new 7-year cycle. The horrible devastation that one can see was no small thing. It has effected the entire world. It is a time to pray and remember those who have gone through such a great tragedy. – At this time I am going to go to a short quote from Brother Neal Frisby's library, as he was shown by the Lord and wrote about these coming events. Truly the Lord has given a great warning through his message. I will start here with the prophecy that Brother Frisby wrote:

“Now there have been international crisis worldwide of all sorts including wars and major prophetic events! Weather, nature, quakes and famine have worsened, heat waves, storms, deaths, violence and a tremendous wave of openness of immorality and wickedness! In most of these scopes everything will worsen! **Society had better get ready! These are only harbingers of greater things to come!** – The plates under the earth are moving, liquid fire and volcanic eruptions are spewing in different parts of the earth as never before!”

“Soon the geological upheavals, the ocean, islands, mountains, earth, continents are going to be shaken and moved out of their places! A great amount of tectonic movement is going to occur. The earth is preparing to meet the Almighty! In the brief period ahead we will see some of the most incredible events and astonishing events that have ever been seen in this generation!” End quote.

Now we see how Brother Frisby placed the tectonic plates moving as well as entire land mass moving. The 9.0 earthquake in Japan moved the entire island 17 feet to the west! So far as many as 16,000 people are missing and over 9,500 people have died since the monster quake and tsunami struck. **Another great event took place as well. The earth's axis moved up to 4 inches from its previous location. Brother Frisby wrote about an axis change coming at the end of the age. (Isa. 24:20, Amos 8:9, Ps. 82:5)**

To continue with his prophecies we're going to take a step back and remember the great earthquake in Chile, Feb. 27th, 2010. The magnitude 8.8 earthquake moved the city of Concepcion at least 10 feet to the west, as well as moving the earth's axis again. A noted event – it slowed the earth's rotation a few milliseconds. A quote from a science article stated, *“Just think about it: **There was enough power in the earthquake to move an entire city – people, buildings and all the land underneath a whole 10 feet in just tens of seconds!** Chile's capital, Santiago, 200 miles away (from the epicenter) was moved about 11 inches to the west-southwest. Argentina's capital, Buenos Aires, 800 miles away, was moved an inch.”* – By the use of GPS science knows exactly how much the earth has moved.

Here is another great event. On Dec. 26, 2004, the deadliest tsunami in the history of the world hit Sri Lanka, triggered by a massive earthquake of magnitude 9.0. It generated a huge tsunami and the death toll was greater than 200,000. It too shook the earth's axis and slowed the planet! – All of these events involve time as one can see. This is certainly, no doubt, end time judgment falling on the earth.

The great mercies of the Lord have no doubt protected and saved many more from great injury or death. **This is one of the reasons that the Lord Jesus tells us to continually pray that you may escape all these things. (Luke 21:36)** The power of prayer is greater than all the devastation that we have seen. It works wonders!

This month I have a wonderful new **Special Writing Book, Volume Seven called “Revelation of God's People!”** I know that you will not want to be without it. It's one of the most timely books that you will read. As well as a Special Writing, “Daniel's 70th Week” is in the book. It definitely tells about the problems in the Middle East. (I will continue about the Middle East in the next monthly letter.) – I'm also releasing a DVD called “Prophetic Times.” (See offer below.) We have had a very large demand for Brother Frisby's literature on a worldwide basis and we are publishing from the library as many prophetic events and faith building material that we have available. Certainly this is a time to support the ministry and give this great witness while we can. Just from the events we know time is running out. **Your prayers will avail much to help the ministry and Jesus is coming with His reward! May His wisdom and blessings be with each and every one of you.**

Your Brother in Christ, *Gerald Frisby*
