

Dear Harvest Partner,

Due to the dramatic events of the world pandemic of corona virus it has brought the world into the greatest crisis of all time. The entire world is in complete shut-down at this time. A financial crisis will bring about the most worldwide inflation and depression of all time. A change in world currencies is about to take effect. All paper currencies will be declared worthless and a return to tangible assets will be the backing that is needed; gold, silver, etc. **Now this will bring us to the greatest mystery of all time - who and where is Mystery Babylon?** And now I am returning to the series on Mystery Babylon, one of the most misunderstood mysteries of the Bible. **And now we begin with what Brother Neal Frisby has spoken about in the past writings:**

"The changes and events we see fulfilling today were predicted on the Scripts years in advance; and according to prophecy we are headed for more dramatic and perilous times than ever before!" - Also the Scriptures in II Peter 1:19, reveal we will have a more sure word of prophecy; wherein the church will do well to take heed. **Soon we will be entering new beginnings as the old social order passes away!** On the one hand the world will enter slumber and delusion and on the other hand **He will pour out His spirit and revelation on those with an open heart!**

"The world is entering the twilight of destiny! The hand of providence has a tight grip on the reins and Jesus will bring it to a proper conclusion at the proper hour!" - The time ahead will be vitally important concerning world events and indeed very interesting! We will see fascinating and spellbinding events. Old waves vanishing, new waves of change and subtlety approaching! - Also to watch the prophecy concerning Russia, the Mid-East, the Vatican, the Arab, the Jews - Japan and China, the U.S.A. social structure, plus South and Central America, West Europe. Concerning these subjects vast changes unparalleled in history are on their way! - They are easing toward us even now! - **"There has never been a time ahead of us such as the one we will enter! Listen to me very carefully. Concerning prophecy I have foreseen the destiny and fall of the United States as we know it!"** - A total new world lies just ahead. - We'll write one part of this now! - "I saw the United States fitting into a world puzzle that it does not belong into; but according to prophecy this is what is to occur! - **Remember as the age closes out, the testimony of Jesus is the spirit of prophecy upon His servants! He is the Bright and Morning Star of fulfillment!"**

"During the time we spoke about above will also continue wars, plagues, diseases, earthquakes, famines, terrorism, economic conditions, drugs, new dimensions in the occult, world churches bring new order and bewitchery, a sell-out of the power and of the Word of God! - This will rattle from the Vatican on down clear into Pentecost systems! **Then all of a sudden developing before our eyes in clear view is mystery Babylon the Great, the Mother of Harlots and the Abominations of the earth! Rev. Chap. 17!"** - **"The churches will be in delusion and intoxicated with the power and doctrine of Babylon! A mixture of all types of belief; finally idols and paganism included!"** No wonder the world is entering a more sinful and wicked age! We can already see the luke-warmness among the churches! - **"Known now as only a Phantom prince, but he will rise in reality and guide them to their appointed doom! For prophecy has declared it so in the midst of social woe!"**

"The crises coming will be of such major intensity that dictatorship will be the only kind of government possible! We see many countries now dealing in gold! **They are preparing for Commercial Babylon - Rev. 18:12, and religious Babylon, Rev. 17:4! - Finally the currencies on earth as we've known them will become worthless! Only anti-Christ money leading into a mark will be allowed!"** - "This strange dictator evidently will rise through super inflation and coming depression giving him absolute control! We are ushering towards the Great Tribulation!" **All prophetic signs indicate that this time of chaos and trouble will occur. End quote.** - Next month in the series coming we'll describe the making and placing of the great Statue of Liberty and how it came about - very informative!

In last month's letter we had a very special faith-building message. **Isa. 41:10, "Fear thou not; for I am with thee, for I am the Lord thy God!" Mark 5:36, "Be not afraid, only believe!"**

This month I am releasing a wonderful new book called **"The Perfect Hiding Place"** - a wonderful message that will lift you up in these trying times. - Also a DVD "Prophetic Times." - Your help will really be appreciated this month to continue this important vital series. - May His richest blessings be upon you. I will be remembering you in prayer.

Gerald Frisby
