

Dear Harvest Partner,

This is one of the most vital and important hours that the church and the elect of God will ever face. We are entering a time that great wisdom will have to be used, guided by the Holy Spirit in order to avoid the trap that is being set to snare the world. But first let us recap an event that is taking place. **I mentioned the July total solar eclipse, but there are three other events that are tied to this. July 7<sup>th</sup> there was a lunar eclipse and July 22<sup>nd</sup> there was a total solar eclipse. Aug. 6<sup>th</sup> there is another lunar eclipse. That will make 3 eclipses in one month. These are rare. Also this solar eclipse was an extremely long one. The last one that long was 100 years ago. Now that brings us to another event. Coming around Aug. 23<sup>rd</sup> there will be a grand square. There was a grand square around 9/11, 2001 – a major event. These are signs the Bible speaks of. (Luke 21:25)** There will be many events following these celestial events. It shows the hand of God has marked time. Judgement will be falling swiftly. Look around. **The world is in one of the most horrible sinful conditions. God cannot let judgement pass for the cup of iniquity is full.** We are at the stage of the days of Noah, Sodom and Gomorrah. In my opinion we have passed them with the evils that are possible today. Now Brother Frisby has an interesting article that I'm going to publish with this letter. You can see the churches with religion and idols in every city now. If I had more time I would tell you more shocking events that have been revealed to me. And now a quote from Neal Frisby.

“This is a vital subject, will the U.S.A. and Europe turn to idols (images)? Yes. **Remember after Israel witnessed the great miracles of God, she made and worshipped the golden calf! It will happen again.** Solomon with all of his divine wisdom and blessings allowed idols; it happened because of his neglect of God! Too much business, commercial trade and pleasure! Here was a man that controlled the wealth of the world and he became deceived momentarily. His wives carried his heart away and introduced idols in his kingdom. One of the reasons was that they had orgies before their images! **At the end riotous debauchery will take place again among images, an evil spirit will come on them to do this! (I Kings 11:3-10)** Idols hold a strange fascinating power over those once they are deceived, and is almost unbreakable except by God's power! The Bible predicts that fornication with familiar spirits and images will be prevalent entering and into the days of the Tribulation!” Paul also was confronted with these evils. (Romans 1:21-32) In latter times the land will be full of idols and images of silver and gold! (Isa. 2:7, 20-22) – “Even during the time of the latter rain the Bible foresaw idols appearing.” (Zech. 10:1-2) “The book Hosea revealed the idol whoredoms! Isa. 46:1 reveals the treachery of idols!” **“Jer. 51:44 shows the idol of Babylon, the false god Bel, which swallowed up the nations! Verse 47 reveals the images of Babylon! This depicts the future too!” – Dan. 3:1, “reveals the huge image of gold, portraying and prophetic of the end!” Dan. 11:39, “foresees the beast in a strong hold with a strange god (idol). Verse 31, reveals the idol of abomination and that is what it is to the Lord, abomination!”** “The Lord is full of love and long suffering but this is one of the things He hates most!” Even some people today go to the graveyards and worship the dead but the Bible revealed this would occur at the end! “He will destroy the evil worshippers! Remember the glory wheels appeared as a warning during the days of Ezekiel when Israel was steeped in idols!” (Ezek. 6: 4-6, 11 – Ezek. 8:4-12, Ezek. chaps. 9 and 10) – Rev. 13:11-18, “reveals the Western world will make an image unto the “beast man” and worship him and the religious system! Verse 4 reveals they even worship the dragon, the old serpent, the devil!” Rev. 9:20 definitely depicts people were worshipping images entering and during the Tribulation! “When people worship idols it causes ‘severe famine’ to come, and God withholds rain!” (Read Rev. 11:6) – Rev. 18:8 “also reveals that God will bring atomic desolation upon them for this very sin!” James 5:3, “reveals atomic radiation settled on their silver and gold: this was in the latter times!” **(For a much more deeper insight involving this subject and prophecy read the middle of my book called “The Tree, The Beast, and the Holy Watchers!”) Truly all of these things will occur in our time and there are many more Scriptures to bear this out! – “This is why God put His true face here at Capstone because the U.S.A. will reject it and His Power, for a false face in Rev. 13:14.”** End quote.

This was a most vital subject to show you how close we are to the coming of the Lord. Wickedness and abominations are all around us. That brings me to release a book that Brother Frisby wrote, **“From the Good Gold in Eden to the Bad Gold in Babylon!”** Also I'm releasing a DVD called “The Dragon” (see offer below) as well as a Special Writing to cap off this letter called **“Sodom – Lot and the Foolish Virgins.”** – We have received some of our printing equipment to print the books of Special Writings. Your help will make all of this possible for there is a great blessing on this project. May the love of Jesus be with all of you and His guidance and protection in the days ahead.

Your Brother in Christ, *Gerald Frisby*
