

Dear Harvest Partner,

This is a very valuable and informative letter. I will only be able to touch the highlights. **The greatest snare in world history is approaching with catastrophic consequences. Luke 21: 35 describes it as a worldwide event. "For as a snare shall it come on all them that dwell on the face of the earth."** Every nation is embroiled in the worst debt in the history of this planet. In a Feb. 2011 letter I mentioned a 1.2 quadrillion dollar debt. Now the number floating around is 1.5 quadrillion dollars. This is including all unfunded liabilities such as pensions, social security and government bonds. At some point the most horrible way out is the printing of new money. For example, in 1919, 100 German marks could buy 1 ounce of gold. At the end of 1923 one trillion marks could not buy an ounce of gold. If it were not for the foreigners and the Chinese buying our bonds we would have turned on the printing press or defaulted already. **Surely this great collapse will happen. This will bring global power together. The anti-Christ will appear with his friends.** His friends would be the oil countries, the Russians, the Chinese and the U.S.A. as a major food provider. With the worldwide drought happening this will give the anti-Christ all the power. Now let us let Brother Neal Frisby's prophetic letter explain the rest.

**RUN PROPHECY RUN** – Never before have we seen such vital events take place so suddenly and so swiftly! Also many by the unexpected and surprise just as the Scripts predicted. "Important global prophecy is occurring all over the globe!" Everywhere we look we see crisis and judgement transpiring around the world. Scripts and Biblical prophecy is speeding up. "The final prophecies to our Church Age concerning the elect are now coming to a conclusion!" Soon time will be no more for God's true children! The man (Jesus) like the parable says has been on a far journey and is returning. Of course He being the Almighty spirit has been constantly with us too! Our generation is nearly up! **"Jesus is separating and choosing His children daily now; this is no hour to be spiritually sleeping! For He is now guiding us with a more sure word of prophecy than ever! The day Star has arisen in our hearts and is guiding us in His light!"** Apostasy abounds all around us, but the sweet spirit of the Lord is truly with all those who are believing, watching and praying! We should see the Master face to face soon; as the world in amazement begins to wonder after the beast powers!

**A TIME TO BE AWARE** – "One night events came before me like flashes of lightning of the disasters, screams, desolation and destruction that will begin to cover the earth! The unexpected and surprise will still be occurring in the time ahead! We are seeing International changes occurring now that have already been predicted. "And more global events with extreme importance will be stepping forward to fulfill their part of God's plan of destiny!" People's minds will be changing more and more. Shocking situations, altering and unbelievable occurrences are casting their shadows as we enter deeper into the end of the age! – **"Watch, be on guard, saith the Lord!"**

**HEAVENLY SIGNS** – Besides this nature is preaching to the people of this planet that their time to seek salvation is slipping away! The harvest will soon be ended! "Jesus is choosing a royal people and before long this earth will be missing them!" Because as we can see it is just about time to get off of this shaky and stormy planet. Perplexity and fear will grip the hearts of the population as the dragon begins to rise! We can already see the shadow and movement of his system! And they are not in step with God's Word! – **"So beware, as a snare shall come upon the dwellers of this world!"**

**NATURE UPSETS THE COURSE OF HISTORY AND LEADERS** – "The great famine which I sense approaching will often turn (in various areas) then become world wide! It will be so vast and long lasting that (they) will grab roots from the trees and children from the breast!" Note: men and women will sell their soul and bodies for a piece of bread to survive! "The deadly mark will have already been given by then!"

**THE FUTURE YIELD ITS HORROR** – "Hot blazing heat waves, scorching winds of death – little rain seen, wars and raids for food hidden! Bushels of wheat will rise so high that man will devour his fellow man!" – "Men and women will turn to beast!" The black horse of the apocalypse has surely traveled this trail. **"As it is said, a measure of wheat for a penny!" In Roman days, a whole days wage for a loaf of bread!** The picture above shows it worsening! As the skeleton of death mounts the pale horse, hoof beats can be heard! Rumors of atomic war are in the air! – "The moon turns to blood, the sun black as sack cloth!" A little later the planets rotating into position! It won't be long until the earth's axis will shake the cities to the ground! **"Now is our hour to work before it's too late!"**

"We know just before Jesus' return we are told there will be wars, famine, pestilence, earthquakes, revolution, international crises and worldwide distress and etc. And we see the fulfillment of this more and more each day! And according to the Scripts it is in the scope of things to come!" – This is a good thing to remember, the Scriptures say, "take heed that the cares of life cause that day to come unawares! For it will surely catch many off guard! – So let us watch and pray, and stay excited about His soon return! – As the Book of Revelation says: **"Behold, I come quickly, surely I come quickly!" Amen. Rev. 22:7, 12** End quote.
