

Dear Harvest Partner,

The greatest change that has ever come upon the earth during our time of civilization is about to happen. The changes have been gradual, but will now accelerate. **The earth movement is suddenly making a change towards the anti-Christ, Armageddon and the Millennium. Before all of this completes we will have the most catastrophic weather and one of the greatest earthquakes along with some very serious volcanic activity causing changes on people and the face of the earth.** Also the world is approaching an economic crash. And now a quote from Brother Neal Frisby's library.

"In this letter edition we thought we would do something special, a little different. Using in part a few Scroll paragraphs you might want to share with a friend." Scroll #194 - **THE TEN VIRGINS** - Only those ready will enter in with the Bridegroom! (Matt. 25:1-10) "There were five foolish and five wise virgins. And the 'group within' called the midnight cry! The wise and latter, form the man-child group!" (Rev. 12:1-5) "The foolish had the Word, but they did not love the Lord as much or expect His appearing! Their oil leaked out. **The wise had the oil (Holy Spirit) and they were awakened by those who gave the midnight cry, the late hour workers!** - They were expecting and they loved His appearing! They were in love with the Bridegroom (Jesus) and He took (translated) them away and the door was shut!" (Matt. 25:10) "Evidently these foolish are associated with the Tribulation Saints! - The key word to be awake with oil and to watch! - There is a time element given. There was a delay it said! (Matt. 25:5) This is the lull that has been going on during the falling away!" - **This parable holds many revelations. In the parable it shows us in late history.** The early workers remind us of the Jews whom God used through early history. And then after Christ here appeared the late hour workers and Gentiles! And the Lord gave them the same amount of wages - a penny, an eighth of an ounce of silver (a whole days wage.) The early workers accused the Lord of not being fair, and He rebuked them! **Witnessing Salvation whither it is in early or late stages it is still witnessing!** - The late workers evidently did as much or more as the early workers did but in less time! The Scriptures say, "a quick short work." - Let us surmise. Jesus does mention the summer (harvest) month in His coming. Some have wondered what day! Probably not on Sunday for everyone would be church minded. And He said, "In an hour that you think not!" Evidently there will be such a world crisis their minds will be focused on something beside the Translation! He said, In "an hour" that that you think not. Anyway He will have their thoughts on something else, and the Lord will slip His elect out! We could name a number of things like assassination, atomic threat, the greatest quake, huge asteroids, etc. - Remember two great bears by destroying 42 youths took their minds off Elijah's translation when it occurred! - It may be at night or an A.M. period. - **"What I say to one, I say to all, watch!"**

The dove knoweth when evening darkness approaches; the owl knoweth when night cometh! So shall the real people know of My coming, but those of the Tribulation have forgotten My Word! **Read Jer. 8:7, Yea, the stork in the heaven knoweth her appointed times; and the turtle and the crane and the swallow observe the time of their coming; but my people know not the judgment of the Lord.** - They will not be as the people of old times, but they will be forewarned! Dan. 12:10 says, the wicked shall do wickedly and not understand; but the wise shall understand! **"At midnight the cry was made, go ye out to meet Him!" (Matt. 25:6)** At all times and right now the church should be packed up with their spiritual suitcase ready to leave! But Oh what awesome events and surprises are on the horizon of this world! - Concerning the catching away, Paul said, "Behold, I show you a mystery!" (I Cor. 15:51) And surely that is what we have written here! - One to be studied and watched with anticipation. **"Jesus did not intend for the saints to be ignorant of the times or the season!" (I Thess. 5:4)** End quote. This timely letter indicates with all the events happening in the world today that the soon return of our Lord Jesus is eminent, at the door! Surely we are at this quote: "In an hour ye think not!" - **Are we at the last trump? (Read I Cor. 15:52)**
