

Dear Harvest Partner,

In this letter we're going to talk a little bit about the things coming in the very near future. The world can't get enough talking about 2012. So we're going to put together a little note to let you know all of the events they have been talking about and some they haven't. Even a movie called "2012" brings almost total destruction to the earth. But according to the Scriptures, Rev. chap. 20 reveals the thousand years of peace, the Millennium. First, the total eclipse, Nov. 13, 2012. The Mayan calendar ends Dec. 21, 2012. Also the earth has completed a 25,000-year cycle around the Sun and as this eclipse takes place we will be at the center of the galaxy. Also for the first time in 100 years Venus will pass in front of the Sun. Scientists are saying the magnetic poles are starting a transition period changing the magnetic field. This may sound like science fiction but these facts are coming. – **Leading to 2012 there are many solar and lunar eclipses as well as many strange events in the heavens. So the heavens are speaking!** At the end these signs shall appear just before the return of Jesus, Luke 21:25. The solar cycles will be peaking and does not bode well for the earth's weather. Famine and severe food shortages leading to food riots; protest and rebellion will be the order of the day! All of this will be leading up to the Great Tribulation – a very violent time, earthquakes, volcanoes and huge storms as never seen before. **This is the hour for the 91st Psalm, for Armageddon looms ahead. And if the Lord didn't intervene there would be no flesh saved, Matt. 24:22.** And now a quote from Neal Frisby.

The Prophetic Clock is Ticking – “This generation is climaxing! – The nations are at the crossroads! The hour of decision is slipping away! The moon in symbolism is at eclipse! The last picture of the sun is going down! And in the not too distant future the sinister shadows of the beast power will darken and spread across the earth!” – **“God's great wings of compassion and healing are spread out! He beckons with His Word and Spirit for His children to hurry and abide under the protection of the Almighty!”** – “For soon the religious leaders will be dumbfounded; the politicians will be in confusion; the populace will be perplexed! – Society as a whole will be in disarray! The weather in nature will be out of control; the earth will shake with divine displeasure! The sea will be out of its bounds!” – “Terror will reign in the cities . . . no safety! – Perilous times in the streets! – Law enforcements cannot cope with the murders, rapes, robberies, gangs and rebellious youth!” – **“Lights appearing in the heavens forecasting earth change! Ominous feeling that Christ is being rejected by the masses!** – During this time the sun will be heating up, its sun spots at maximum!” – “Nearing an era of terror, soon this planet will disclose the figure of hell, the son of perdition! – New weapons forming, science reaching a zenith! – The shadowy angel of pestilence and destruction will soon appear; Abaddon will cast his woe! – **Death will ride the apocalyptic horse! The flame of hell follows close behind!**” – “As I sat down, this prophecy just poured out! At some point it comes to its final conclusion!” – “It will not be too long from now, because at the beginning it said . . . our generation is climaxing . . . it is nearing its peak concerning time allotted!”

Coming Events – “We know when Jesus ministered His signs and wonders were truly in the miraculous! – He truly raised the dead, He gave forth creative miracles, He spoke and nature and the weather obeyed Him, etc.! – But there is one thing for certain He never did use magic, sorcery, witchcraft or any type lying sign or wonder! – He walked and spoke in the supernatural power of the Almighty!” – “But on the other hand at the end of the age the anti-Christ (false messiah) will try to imitate in lying signs and wonders similar works of Christ! – Yet it will be nothing but delusion, magic mingled with sorcery and witchcraft and the use of super science!” – “II Thess. 2:9-11 – Rev. 13:13-18 reveals exactly how he will come and some of the things that he will do!”

The Revelation Prophecy – “Some people have often asked me to explain in order, the events to come concerning these end time subjects! First (future) when the last seven years begin! Between then and the middle of it comes the Translation!” “The Great Tribulation then begins in full swing! At the end of this, the Fiery Battle of Armageddon!” “Climaxing in the Great Day of the Lord” – **“Then Rev. chap.20 reveals the thousand years of peace (The Millennium)!”** “At the end of this The Great White Throne Judgment, and then followed by The New Heavens and The New Earth and the beautiful Holy City!” – **“Then time blends into Eternity, where the Bride is and has been with the Lord Jesus! (Rev. chaps. 21 and 22!) These chapters are infallible and these things will appear!”** (End quote.) – These events will lead up to the anti-Christ, for out of chaos he will arrive. They will be looking for a strong man to solve all their problems, for this truly is the hour for great events.
