

Dear Harvest Partner,

Never been a time in history like the world is going through at this time. Tragedies and events are happening in every part of the world. The terrorist event in France bringing together world leaders and also the very tragic event happening in Nigeria of over 2,000 people killed by terrorists. Let us pray for those in these tragic events. This is happening at a time when economic chaos is about to happen. Many economists are calling for 2015 to be an economic crash. The USA has borrowed more money than anytime in history, The present debt approaching \$20 trillion and the unfunded liabilities approaching over \$200 trillion. The world is reaching an unsustainable debt. We have reached a point of no return. We have spent our future. And now a quote from Neal Frisby.

“What is the shape of things to come? Right now the USA and the world likewise is forming into a certain pattern!” **“The USA reminds us of the prodigal son who decided to spend his future! – He wasted his substance with riotous living and etc. (Luke 15:13-15)** It reveals a picture to us how people do today in Las Vegas, Miami and Paris! Also our government has definitely drawn on its future and at some point down the line will wake up bankrupt like the prodigal son! . . . But unlike the prodigal son they will have to finally join up with the world system to return back into prosperity!” – **“Also it says when he had spent all that he had, there arose a ‘mighty famine’ in the land, and hard times came upon him!”** – “Likewise near or entering the Great Tribulation the world will have a great famine like never seen before! . . . And before it is over with, will reach even into the United States!”

“Probably before this or about that time a new money system will come into being. Also, during these dark days ahead, the United States will receive its last leader ruling in association with a group of subtle and evil men! Already working towards their position so they can change our society and government into a new form which heads into the world system and trade!” . . . **“Rev. chap. 18 gives a final picture of how the age will close out! Vr. 3 reveals all nations are involved!”**

“During this time a world leader, who is already here and waiting to be revealed, will rise to the forefront. He will control both religious Babylon (Rev. 17) and Commercial Babylon!” – “He will also work directly with the Vatican (Rome) and will have another base in the Mid-East, and will be in association with the Jews and the Temple! – In fact, his last years will be spent in the Holy Land!”

His career will end not far from where Jesus spoke on the Mount of Olives! Dan. 11:45 gives the exact spot! . . . But before all of this the people of the earth will hear about his exploits on the News daily. One thing for certain we are headed for some dramatic, powerful and earthshaking events!

THE MIDDLE EAST AND PROPHETIC EVENTS – “Evidently according to the Scriptures, oil, silver and gold will play a major role (although other things will be involved too) in causing the anti-Christ to rise and to promote his ideas. (Dan. 11:38) Occurrences in the Middle East are developing to bring forth the anti-Christ on the scene.” – **“The beast of Rev. 13 and the little horn of Dan. 8 are the same! An antagonist and hater of God, utterly dominated by Satanic power, he will take away the daily sacrifice (Dan. 8:11) and sets up the abomination of desolation! (Dan. 9:27)** There is an element of mystery about him; and understanding dark sentences! – His character sounds like a Mid-East personality with Jewish blood! – He shall practice and prosper! – He shall destroy the mighty and the holy people (Hebrews).” Dan. 8:24 – **“Through his policy he shall cause craft to prosper in his hand! – Manufacturing, probably he controls all the Mid-East oil! – He regulates and controls the economic world! – He shall magnify himself in his heart! (Verse 25) – By peace he shall destroy many! He shall stand up against the prince of princes, but he will be broken by God’s forces!” (Dan. 11:45)** – Mid-east personality or not, he will be a Roman Prince associated to the Vatican, Jews and Arabian oil. And with the USA, control world food supply!” – Rev. 13:4 says, who is able to make war with him? – With no money, an empty stomach and with no oil, gas or energy. Who can make war with him? See! . . . “But his alignment with Russia and China fall apart and war is inevitable!” (Ezek. 38)

At the end when his (beast) world of iron and clay split (Dan. 2:41-43) – It reveals that he is left controlling the complete side of the Western nations as the clay side turns on him! – According to Dan. 11:40, 44, these blocks that go against him are called the southern, eastern and northern blocks of nations! – You can read it in these verses! – This would include evidently the African, Asian and Communist nations in rebellion against the anti-Christ! – The final end of his kingdom comes apart and goes up in vapor of smoke and destruction! – Then the Pole regions will shift and the renewal of the earth will take place! – **“What a soul-stirring time this is; let us pray for the salvation and harvest of many souls! – No value can be put on a message such as this but all should do their utmost to help this ministry to work as quick as possible to bring in souls and to witness to as many as He provides that the age is ending!”** End quote.

This month I have a special book called **“The Ram and the He Goat”-Daniel Series Part 3** and also a DVD, “Holy Spirit Overcoming Temptation.” – There’s no better time to publish this gospel!
