

Dear Harvest Partner,

This month we will write about prophetic events that have happened that are the most important signs of the soon return of the Lord Jesus. These are some of the events that have pointed the way for us to know the season and the hour we are living in. **One of the most vital and important signs as we were swept into the atomic age (Luke 21:26), Israel became a nation; the budding of the fig tree. This prophetically announced the Jews would return to the Holy Land, 1948. "This generation shall not pass until all of these things be fulfilled." (Matt. 24:32-35)** Israel becoming a nation depicts the very season of His return. No one seems to know the length of a generation but **God gives us three score and ten (70 years) as one reference. (Ps. 90:10) – Modern man says average age is 71 years. Using 1948 plus 70 years is 2018.** No one will know the day or the hour but we will know the season is nigh at hand! – As Jesus said, be ye also ready, for in an hour that ye think not He will appear! Only God knows the exact day or hour! Between events there is always a transition period.

Jesus prophesied concerning the signs in the sun, in the moon and distress of nations in perplexity. (Luke 21:25) These signs have been astonishing events in our time. Man landed on the moon. But one thing for certain, terrible commotions are coming to shake the earth. On Dec. 26, 2004 Indonesia had a magnitude earthquake 9.0, 240,000 lives lost and caused our planet to shudder. Jan. 12, 2010, in Haiti a 7.0 magnitude quake hit causing a death toll of 230,000. Feb. 27, 2010, Chile's quake of 8.8 caused a tsunami that toppled buildings and moved cities 10-11 feet westward. Mar. 11, 2011, Japan had a magnitude 9.0 earthquake and a tsunami that followed causing about 16,000 lives to be lost. Also it shuddered the planet causing time to slow. Signs in the heavens – **One time Brother Frisby spoke to me about the appearance of asteroids and meteors coming just before the return of Christ. On February 15, 2013 a large asteroid came within 17,000 miles of the earth. This asteroid was as large as the meteor that hit in Arizona about 50,000 years ago leaving a mile wide crater. Also on Feb. 15, 2013 in Russia a meteor exploded over some cities. Thousands of people were injured and shattered buildings as it went by. The event was filmed.** – The weather has been the strangest already with cold and heavy snows, floods and droughts, fires, earthquakes as well as volcanic activity. Truly the earth is trembling! As Jesus said, these events would be near His return. Here is a quote from Neal Frisby.

"Besides the Jews returning to their homeland after 2,000 years, the Bible gives other signs that would occur in conjunction with this! – **Nation shall rise against nation. (Matt. 24:7) Earthquakes, famines and pestilences! Knowledge shall be increased. (Dan. 12:4) Evil men shall wax worse and worse!" (II Tim. 3:13)** And if we really want to know how close the coming of the Lord is, just before He returned we were to see this Scripture fulfilling! – The falling away from the very faith! (I Tim. 4:1-2) And have you noticed all around you, seemingly for no reason at all people are just giving up their faith. But God is gathering new ones each day for the true elect! And others, the Scriptures say, would not endure sound doctrine at all! (II Tim. 4:2-4) **The Bible says people would have a form of godliness, but deny the true power! Also scoffers who don't care to hear of the Second Coming of Jesus! (II Peter 3:3-4, 10)** – And with this, signs in the sun, moon, stars: distress of nations. – "Let us write concerning prophetic events and also to be prepared for the soon coming of the Lord Jesus! Christ warned to be ye also ready; for it would occur suddenly when least expected!" Also hearts will fail for fear because of inside forebodings of the awesome events they realize are coming and they are helpless to turn the tide! When much of this heart trouble was to come it also said the powers of the heavens would be shaken. (Luke 21:26) We know after the atomic bomb that men's hearts begin to fail in great numbers! **"Here is great wisdom, Jesus said, take heed; that the cares of this life cause that day to come unawares!"** It means people will be so embroiled in the things of this life that they will be blind to His close coming! **"For it shall take them as a snare! (Luke 21:34-35 – Mark 13:35-37)** Jesus said, watch at all hours, spiritually speaking, and you would not be unawares!" – "One reason He says to watch is that no one knows the exact hour, but we will know the season! (I Thess. 5:1-4) **It reveals to be alert and watch that you may open to the Lord immediately when He cometh and knocketh!" (Luke 12:35-36)** "We could go on and on, proving by prophetic events that the age is closing swiftly!" **Society had better get ready. These are only harbingers of greater things to come. International crises are on their way.** End quote. – This is a very important letter signifying the time and the events, declaring the return of the Lord Jesus. In the next letter we'll be speaking about the economic turmoil that will soon engulf the world.

This month I have a Special Writing called **"Israel-God's Prophetic Time Clock"** and also a DVD, "The Invincible Creator." – Certainly this is the time to support the ministry and give this great witness while we can. Just from the events we know time is running out! The greatest blessings will be for those who sound the alarm and warn people of the soon return of the Lord Jesus. "May His blessings and wisdom continue to guide you as we await His return."

Your Brother in Christ,

Gerald Frisby
