

Dear Harvest Partner,

This coming year of **2016** will continue the trend of extreme events with more violence and destruction, especially the weather, earthquakes, volcanoes and a continuation or renewal of drought. Next month I will research the cycles to tell where we have been and where we are going. Also a looming financial disaster is on its way. And now from Brother Neal Frisby's library, a very prophetic letter.

**THE USA IN PROPHECY** – “In fact the whole world will follow a similar pattern. Let us take a look at the last stages of prophecy concerning America. (USA) Even scientists are proclaiming the end is just around the corner! Will civilization collapse? The evidence and factual signs reveal this is well within reason! **Besides literally scores of other signs, immorality alone predicts the end is quickly closing in! Politics, religion, violence are an open display that time is short. Technology and sin will continue its race.** It will reach a peak. Incredible inventions and new type pleasure will control the masses. New type technology will be discovered. This age we now know of will pass away into another age completely!”

**PROPHECY – The Last Stages** – “Religion and Immorality (Rev. chap. 3) After a financial crises this will occur, prosperity returns.” **vs. 17, “Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind and naked!”** – This meaning two ways; spiritually blind, but also as the Scripts predict besides a mixture of dress wear, different lengths and etc., the styles will be see-through and almost nude just before the age ends. We can see some of it already advertising leisure vacations in space! The Bible says they would build a space platform (nest) among the stars! But God will interrupt their Tower of Babel! The ultimate in real super science will occur during the Millennium (after the Translation and Armageddon).

**THE FINAL PICTURE – World Government and Religion** – “According to the news the prophetic Scripts are being fulfilled to the letter. Here is just one prophecy. Julius and Augustus proclaimed that they would build a United States of Europe! And they did so uniting various countries into a World Empire. And these individual states were bound in agreement to a Federal Super-head! How strange indeed Bible prophecy! – In Rev. 13:11-15 it shows the USA made an image unto the Roman Empire by binding its various states together under one federal head! Now Rev. 13:1 reveals the revival of the “Roman Empire” is returning in full power! This time it will be headed up by the great whore, Babylon!” (Rev.17:1-5) And the USA will follow this trend itself! (Rev.3:15-16) – vs. 17, and the USA will play the harlot like unto mystery Babylon! – The sins of the near future age is unprintable! Such an incredible mixture of religion and worldwide apostasy. – Drastic changes will be coming to the Pentecostals and the Fundamentals in the way of what they do and how they are going to blend into this Satanic system! – “Truly a crafted subtle snare has been well placed!” To write the type of sins coming would almost stop the hearts of the true believers, so incredible debauchery. That is why Paul called him the man of sin who rises to the top out of all of this; and will be the “Titan” head of the nations, bowing and giving obeisance to Lucifer's chosen deceiver. The populous will wear his mark of allegiance! **The last stages of the United States will finally be beyond ancient Rome in sins, idols and etc. Such glamorous, dazzling and brilliant cities.** Genius like inventions and designs, but from space cometh fire. Many parts of the nations will be burnt to the ground! In fact, the world aflame in destruction as Jesus intervenes or no flesh would be saved! “The Translation will have already taken place. Plagues and starvation will grip the earth. Finally, the earth's axis will flip and wobble. Destruction on land and sea beyond description! **The celestial ships of the Lord will be seen even as Ezekiel saw in Ezek. Chap. 1** – Isa. 66:15 described these whirling ships of fire that will totally amaze the earth as they gaze upon this amazing sight from heaven! They will know that the great commander in Chief, Jesus, is on earth!” End quote. – When this Script was written we couldn't have described events any better; the conditions of the world.

This month I am going to release a book called **“Image Unto Babylon”** and also a DVD, “The True God.” – We want to prove the Lord with one of the best offerings to start the year off. (Read Mal. 3:10) The last few months have been slow, so remember us. Jesus will prosper and bless you.
