

Dear Harvest Partner,

As we enter the New Year 2020 who could have believed, we have seen so many major events take place that shows our final age is ending. I have the new series coming but still doing much research on it. I thought the following letter from Neal Frisby's library would be appropriate at this time. And now we **quote**:

"The handwriting is on the wall again! – Let's take a close look and see if we can read the signs and astonishing events!" In fact we are entering a new startling era that will soon see the return of Christ!" – "We see before us the days of Noah and Lot, the sign of the budding of the Fig Tree (Israel) and the sign of the generation which shall see all of these things fulfilled! – **We see the sign of distress of nations with perplexity and unrest! And now we see all nations with the fear that Atomic War is coming!"** (Luke 21:25 & 26) – "Men now see some nations are running out of food, they are saying that the nations are running out of some natural resources; and running out of value in their currency and etc.! – But according to the Lord Jesus the most important thing that we are running out of now, is time!" – "Our days and years are numbered and we fly away! – And the world will witness judgment and overwhelming events!"

"The Scriptures say the Lord hath determined the times even before being appointed and where the nations will live! (Acts 17:26) – And He has appointed right up unto the day!" (Verse 31) – "National leaders can see some of the things we spoke about, but the important thing they cannot see, that 'time' is running out! – Many and even religious people cannot see the handwriting on the wall! – We are entering the time of powerful forces and we can understand and discern their movements!"

"There are demonic forces at work turning the people towards world-wide pleasure and causing apostasy and the great falling away!" – "We have international forces working for one world rule! – We see religious forces coming together, we witness world cults in operation! – We see the forces of crime and the underworld tightening their grip!" – "We have witnessed the forces of strong drink and drugs overpowering the youth! And we also see the political forces at work! And now we see the lamb-like qualities of the charismatics enter politics (as was predicted) along with other religious groups!" – "Also we are witnessing the build-up of nations revealing the forces of war! – **We see the forces of false peace coming! But in the final analysis all of these powers will grow into the titanic forces that meet at Armageddon! – And they are combined into the three frogs of doom!"** (Rev. 16:13 & 14) – "Before this last event occurs we might add that the economic forces are at work! Any way you look at it men will be working for an economic one-world system!"

"One can look into the veil of the future and see startling events appearing on the horizon!" – "In this hour we see Jesus pulling one way, getting His people to the side in unity, and the world forces drawing the populous in another way; sin and apostasy! – Like a great hurricane of time, the world will be drawn into a vortex, they can't get loose! Like a black hole in space, no escape!" – "Jesus is the answer and now is the time to seek Him!" – "The prophet said in Dan. 11:38, that the God of forces would be at work during the end time! Besides all of these worldly powers, we are entering the age of the Lord's spiritual forces bringing a dynamic change to His harvest! – We can also see the forces of nature at work; weather, quakes and etc.! And we can see this Scripture fulfilling before our eyes! – It is a great sign!" – **Rom. 8:22, "For we know that the whole creation groaneth and travaileth in pain together!"** – The reason is given in **Verse 19, "For the earnest expectation of the creature waiteth for the manifestation of the sons of God!"** – These are His elect and they are destined and predetermined to appear in our generation!" (Verses 29 to 31) – "And I know by the voice and the spirit of God that I am reaching as many of His people as I can in this last harvest Capstone work of the Lord Jesus! – We are entering the finest point of the age!"

"As said before the populous cannot see the handwriting on the wall! Even among the churches, they are blinded to spiritual things!" – **"Behold saith the Lord, they are like this Scripture: Matt. 13:15, For this people's heart is waxed gross, and their ears are dull of hearing, and their eyes they have closed; lest at any time they should see with their eyes, and hear with their ears, and should understand with their heart, and should be converted, and I should heal them!"** – "Despite all of the apostasy and falling away we still have a wonderful group of people in this nation and around the world who are expecting an even greater restoration and revival than ever before!" – "The Lord Jesus can work right in the midst of all of these negative powers and bring His children into full fruition and translation! – This is our hour to do great things in the miraculous through the Lord Jesus!" – "So let us rejoice that God has revealed all of these things to us, so that we know what the future holds and the importance of the time element!" – "Take on new courage and be expecting the Lord to do wonderful things for you!" **End quote.**

This month I am releasing a **new sermon book** with two sermons called **"Be Watchful"** and **"Translation Faith"** as well as a DVD, "Prophetic Fullness!" – Thank you for your continued support! It truly has been a great help in our publishing. I sincerely thank you for all your prayers. The hour is late and what we do for the Lord today will always be remembered. I pray that the Lord will continue to bless and guide you with His wisdom throughout this New Year.

Your Brother in Christ,

Gerald Frisby
