

Dear Harvest Partner,

As I was putting together this letter, researching the scrolls in Brother Frisby's library there came before the world a major event that the Scriptures have pointed to, prophecy fulfilling right before our eyes! **The two most important countries in the world have now come together in a major trade agreement – Russia and China.** China spoke of many other countries with them including Iran. These are the most important countries to bring about Armageddon. (Read Ezekiel 38) Also Daniel described things to come. There will be a great peace agreement before Armageddon. Brother Frisby wrote, **Events to Come – “Watch Russia, China, Western Europe and the Middle East!** And a super state church will rise and ungodly pressure will be brought over the world with extreme persecution! This system will control the wealth! (Dan. 8:25 – Rev. 17:1-5) Out of economic chaos for a while this united system will bring prosperity, then this graduates into the worst diabolical state and scheme ever seen turning into the mark of the beast!” – And now from Neal Frisby's library a revealing letter.

THE PROPHECY FORMING IN OUR AGE – Rev. 13:1-4. We will now enter some dark passages, but the Holy Spirit gives us light. “John is standing on the sands of time foreseeing the future. He saw the beast of world government rising up out of the sea (people) having seven heads and ten horns (positions). And upon his horns ten crowns and upon his heads the name of blasphemy! – This is the system that John saw taking the very place of God upon the earth! – He further describes the beast as being like unto a leopard and his feet as a bear with a mouth as a lion. And satan gave him his seat, power and authority!” – “Now these animals symbolize and take in the Mid-East, East and West Europe and Russia, and includes the continent of Africa!” – We see the same picture in Dan. 7:1-8. Verse 8, “gives a little added information concerning Rev. 13:1. – **After the ten horns, he sees an eleventh horn, evidently another nation; it is the anti-Christ horn that speaks great things against the Most High. As we see in Rev. 13:5-6.**” – “Now the new element is Communism at the end of the age!” (Dan. 2:41) Of course the iron represents the Roman Empire! – The beast, without one doubt, is the ancient Roman Empire reappearing upon the prophetic scene! Rome in its imperial splendor emerges out of the wild and tumultuous upheaval forces of a revolutionary crisis! – We see part of the fulfillment already in the Common Market of Europe. This 11th horn of power will control it and the Middle East along with Africa and Russia will abide finally in a treaty!” – “So what we see in the ‘7 heads’ is the old world empires being restored into a new revolutionary empire! – The Arabians will be involved also! – Now below we will read about another element that joins in.”

THE SECOND PROPHETIC BEAST – “This one is in the image and worships the first one that we spoke of.” (Rev. 13:11-17) “Now what we see here is the new world, the new great cities; it is the Americas! The United States fits into this pattern perfectly!” “Verse 11 reveals religious freedom at first, but then turns into a dragon system, and speaks what the first beast dictates to it! – The two horns and the Lamb denote religious and civil power joined together, it is apostate Christianity at its worst! – It says they will unite together and command everyone to worship the image of a man that will rule world trade and commerce with code mark and numbers!” (verses 17-18) – **“There will definitely rise a super leader in the U.S.A. that is very clever, charming and magnetic to the point of being gifted-like! – One who seems to have the answers that people are looking for. Evidently the religious element is behind this personality!** – Finally none before will deceive as this one! More will be said about this in the future! (Also for more information concerning Rev. chaps 17 and 18 read Scroll #121.) “This generation will witness the most dramatic events in the closing of the age. We will see the rapid development of a one-world church and a one-world government of the anti-Christ and the false prophet!” – “The dragon is ready to bring them forth; events will push them to the top!” – **“He has come unto them as the serpent does its prey; he has coiled around them slowly and has arisen as the head and will strike with the death mark and destroy all those who do not give allegiance to his system!”**

PROPHECY FORETOLD of the pestilence conditions, the pollution and poisons on every side! “Many scriptures spoke about the coming of chemical warfare. But beyond this threat is the most fearful of all the Bible predicted – the Atomic! The nuclear menace is the most fearful of all because man now possesses the means of destroying the entire population of the earth!” (**Matt. 24:21**) – **In verse 22 Jesus said, “unless He intervened there would be no flesh saved at all!”** End quote. – Next month we will continue this important series in Part 3.

This month we have a very important book, **“The Tare and the Real Wheat – The Separating Hour”** as well as a fascinating DVD called “Prophetic Mysteries and Facts.” – We have two very important projects coming up. – Sending as much material to our foreign partners for their upcoming series of camp meetings this summer. Our representative will be with them. They are most appreciative. Another most important project is to finish our new web site facility for Brother Frisby's sermons to be audibly heard on the internet and for this important message to reach as many souls as possible. Your faithful help, as always, will be seen by the Lord at this very important hour. I know Jesus will bless each and every one of you. May He guide you with His wisdom in all things you do.
