

Dear Harvest Partner,

As the age ends the world is in a total delusion. Violence and madness is at every corner. Even the weather is setting new records and the earth is trembling. It's as if the greatest event has arrived: a reset of the world as we know it. – **In 1967 Neal Frisby wrote two astounding prophecies that a pope would go to Israel and start a major peace program.** Pope Francis went to Israel in 2014 and met with Israeli and Palestinian leaders as well as Jewish, Catholic, Orthodox and Muslim leaders. And shortly after with Russia and many other world leaders. **The next prophecy is a complete destruction of our two party system would take place.** There has been much trouble in the Democratic Party and especially the Republican Party. – Also Brother Frisby wrote in this letter astounding events that will come. And now a continued prophetic letter from Neal Frisby's library.

THE CLOCK IS TICKING – "Israel is God's prophetic timepiece! And it has been said Jerusalem is the minute hand. **The Scriptures compel that time is running out for the Gentiles! Luke 21:24 is fulfilled! The Jews reclaimed the old city of Jerusalem. (1967)** They now want it as their capitol. Seemingly the nations are disturbed about it, especially the Arab. Why? – Because it is a sign that time is short for satan!" (Rev. 12:12) "As the fullness of time for the Gentiles has come in, also the cup of iniquity is being reached!" **Dan. 8:23, "When the transgressors are come to full a king (anti-Christ) of fierce countenance and understanding dark sentences shall stand up!"** The way that this is worded is as though he has been around for some time but suddenly takes his position! It says he understands things that are hidden to others! This covers a wide range of subjects. He is like a stored up computer with his ever-ready knowledge, and wickedness covered up by religion, peace and good intention! – He will have a line of propaganda that the earth has not quite heard yet! Working hand and glove with satan he is none other than a super con-man according to Ezek. Chap 28, glorified with worldly supernatural wisdom, he is an economic wizard, and a sharp trader that will finally lead to his downfall! (Dan. 11:36-45) – With his peace and prosperity plans he absolutely deceives the nations for a short period!" By what is happening around Israel we know that the end is near and Jesus' return is soon!

THE WORLD ECONOMIC CONDITIONS – "Every nation now is suffering inflation. The USA is in what we call creeping inflation which could turn to hyper-inflation later in the age. **The day is coming when paper money will have no value at all!"** – **"We are given a remarkable prophecy that a day is soon coming when there will be a new economy, a new anti-Christ social order, a new political system, plus a new religion!** Super computers will mastermind the economy and no one will be able to buy or work without these code marks! (Rev. 13:15-18) – Credit cards will one day be obsolete, coming next seems to be the debit cards, evidently leading to the electronic mark!" – "We will have severe inflation near the Tribulation, but the worst type of galloping inflation will take place during Rev. 6:5-6. 'Depression-inflation' will become so bad that it will require a full day's wage to buy 2 loaves of bread! – And all the gold is hoarded away! (Dan. 11:36-43) – An economic mark of credit and worship is given!" – **"Time is short, let us do all we can for Christ while we have a brief period left to work!"**

THE LAST GENERATION – Jesus said, "Verily I say unto you, this generation shall not pass till all these things be fulfilled. (Matt. 24:34) – He was speaking concerning many of the events that we have just written above. This was especially associated to the budding of the fig tree, wherein it meant that Israel would blossom again as a nation!" – **"This great sign occurred May 14, 1948, and the 'Fig Tree' was taken as their national symbol, just as was prophesied.** I believe we are in a transition period and living on borrowed time as it is! That is why we must watch the signs of the time, and pray!" – "Jesus said let all of His sayings and those prophecies of the future sink down in the heart, because concerning what men would do and say about Him, and the condition would even be worse at the end of the age! Because there is coming a great challenge to the children of God and they will be contested like Moses was when he took Israel out, but the elect will win and be translated!" – **"Jesus said, 'Beware of the leaven (means false doctrine) of the modern Pharisees! For they will use only part of the Word to deceive and not reveal the whole truth!** And will lead people away from the actual power of God and into strong delusion finally uniting into a world federation of churches! And the prince of darkness will soon have the world system just where he wants it! So take heed!" End quote. This reveals we are in the most important hour, the sun is setting and time shall be no more!
