

Dear Harvest Partner,

There has never been a time like this! Violence, riots in the street, mass murder – killing of the children, shortage of food for the babies, starvation in many countries. The severe droughts continue to where crops cannot be planted as usual, no fertilizer for the plants – and now a shortage of oil. Hyperinflation is at every corner. Let us review a letter from 2014 called Time Shadows.

“Time shadows are moving across the earth. Many important events are taking place closing the age out. **Already Russia has made a huge deal with China to supply oil in their trade agreement. This will affect the oil market and all those who depend on the Russian oil. Germany, Russia and China also have a trade agreement coming to the surface.** In this letter Brother Neal Frisby has some interesting prophecy and words on these subjects.

PROPHECY AND THE MIDDLE EAST – “How does oil and all types of energy fit into the prophetic picture as the age closes out? We see that God purposely located most of the oil reserves in the Middle East area – the Garden of Eden being the plant and animal center of the world. Biblical factors lead us to believe that Eden was located near Iraq (Babylon) and contained part of the Persian Gulf, Kuwait and possibly Arabia!” – **“The Garden Paradise of God took in quite a territory before the curse. It is said that archaeological discoveries uncovered evidence and that Babylonian inscriptions pinpoint this area as the original site of man!”** – **“Kuwait, being near the center of Eden, is said to contain more oil per square mile than any other spot on earth.** Also, it is amazing but in Abadan, Iran, is located one of the world’s largest oil refineries. Here is something interesting, in Rev. 9:11. They had a king over them which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon! – We can see how closely this is related to Abadan. And this is all close to where the global conflict will take place – Armageddon!” – **“The name Abaddon means destruction! And we know that oil has been involved in every destructive war of late!”** – **Rev. 13:4 says, “who is able to make war with him! (beast)”** – So he controls the oil and energy that is used in modern warfare – and without these supplies, who can make war? – So now we see how oil and all types of energy fit into the prophetic picture and may evidently be one of the major causes of the battle of Armageddon! – But finally God does allow Russia and the kings of the East to go to battle against him! – Iron and clay split!”

ADDITIONAL INFORMATION CONCERNING EZEK. 38 – Let’s reveal this alignment. Verse 2 tells the prophet, set thy face against Gog, “the huge country of Russia.” And then it goes on to mention the nations that come along with Russia! – China also joins into Gog’s ranks! (Rev. 16:12) – Ezek. 38:12-13, “reveals these armies as coming down to take a great spoil (oil, silver and gold) from the Mid-East and food from the fruitful land of Israel!” Verses 8-9 – “Notice the word ‘ascend’ means to go up; then it says come like a storm (storm is destructive and is electric and fiery.) This reveals the motors of modern aircraft too! – **Then it says they shall be like ‘a cloud’ to cover the land. This takes in all type of new aircraft including millions of paratroopers!** – In verses 15-16 the Hebrew word ‘Parash’ is used – it is said the origin of the word paratroops!” – In all these verses it also reveals that the weather is disrupted and used as a tool of warfare! For we see hail fall weighing nearly a hundred pounds! (Rev. 16:21) Ezek. 38:10 says, “thou shall think an evil thought.” In the Hebrew the word used for thought means a device or invention. So what gives Russia the confidence is that she has a new invention from space, probably capable of knocking out the U.S.A. missiles before they leave their silos or space positions. – “Laser and energy weapons will be used from space, and new weapons are coming!” Ezek. 39:2-4, “reveals that one-sixth of the Russian troops will die and be given to ravenous birds!” – **“Satan himself has inspired this insane war! As many nations unite and cross the Euphrates for the great battle the world will witness its greatest blood bath. (Rev. 14:20) And the blood came even unto the horses bridles for the space of approximately 200 miles!”** – “The Scriptures tell us to pray that we escape all of these things and stand before the King’s Throne! – All of this followed out of the inspired prophecy that was given in the first paragraph and led us into the Biblical events that followed! – And it will take place in our generation that is soon ending.” In Luke Chap. 21, in 33 A.D. Jesus foretold of many events that would take place just before His coming! And after describing the future, He said, **“Verily I say unto you, This generation shall not pass away until all be fulfilled!”** End quote.

This month I have an important book called **“Book of Monthly Letters – Volume 2”** and also a DVD, “The One and Only God.” – What a special hour we are living in as time is swiftly ending the final work of the Lord. It has been a wonderful blessing to know this message is reaching all parts of the world. Your support has been wonderful. Jesus has certainly blessed those who have been helping publish this important message. May Jesus bless and guide each and every one of you in the days ahead. I will be remembering you in prayer.

Your Brother in Christ,

Gerald Frisby
