

Dear Harvest Partner,

This is a special letter. We will review many events that were spoken of in past letters. The first important event started with the 17-year cycle that started in Nov. 2008. The second event was March 11, 2011, beginning of a 7-year cycle. Next was the 14-year cycle that began Feb. 3, 2012. Also in past quotes an important date, **April 23, 2014. This event known as a grand square, commonly known as the Cardinal Grand Cross involving four heavenly bodies: Uranus, Mars, Pluto and Jupiter.** All four are at opposition of one another making a perfect 90-degree square of 13, by 13, by 13, by 13 degrees.

Lets look at the last lunar eclipse of April 15th, 2014, an important celestial event, the beginning of the four blood moons. **The first of the four blood moons happened on the Jewish Passover, an important event!** The second blood moon occurs on Oct. 8, 2014. – Now on March 20th, 2015 we have a total solar eclipse as well as the third blood moon on April 4, 2015 which is also on the Jewish Passover. The fourth blood moon occurs Sept. 28, 2015. **All four blood moons are occurring on Jewish high holy days.** – And now a special quote from Brother Neal Frisby's library: Dan. 9:6 revealed, "the end thereof shall be with a flood." **"We can predict of a surety that a sudden wave of events will take place in the political, financial, religious and scientific world and unusual changes just before the return of Jesus that will shake the foundations of society. These events will be of such magnitude that some of the events of the past will seem insignificant!"** End quote. Men are on the earth now that will make great changes in the very near future allowing for the new system to come about.

A quantum leap of events has begun – This coming May 24-26, 2014 Pope Francis (the first pope from the Jesuit priest order) has scheduled a major meeting to Israel which will include meetings with Israeli and Palestinian leaders as well as Jewish, Catholic, Orthodox and Muslim leaders. **Could this historical event bring about a peace plan?** At the same time of the Popes visit to Israel, on May 24-29, 2014 there is a Comet Linear meteor storm coming and may be visible to the naked eye.

Coming events – It is rumored that there is a blueprint for a new temple to be built in Israel – Numerous celestial objects (asteroids & comets) will be seen that haven't been seen before, there will be more volcanic and earth quake activity as well.

A celestial sign to come – An important event - During these blood moons a comet called Siding Spring will come within 80,000 miles of Mars on Oct. 19, 2014 at only a celestial hairs width. A NASA scientist says a possible impact of 1 in 2,000. Something to watch! (Luke 21:25)

One should be ready at all times expecting the Lord to return. All of the dates written about will have an impact on the world, as we know it. Unrest and fear are covering the earth but the Lord tells us in Isa. 44:8, "Fear ye not, neither be afraid." – Isa. 46:10 proceeds to say that "He has declared the end from the very beginning." We are arriving at a time He has purposed! (Eccl. 3:1 and vs. 11) – These dates are vital and important. All of this is coming about like a sudden impact. The world will not see it coming for the new system will appear out of great chaos. "In an hour ye think not!" (Luke 12:40)

Coming in the next letter you will be able to read: **Is The U.S.A. Declining?** – Prophecy Declares a Calculation Device – Prophecy Marches On – Prophecy Unfolding.

This month we are releasing a wonderful book called **"The Gathering Storm – Part 2"** and also a DVD called "Run Prophecy Run" – I want to thank each and every one of you for your continued support and your faithful prayers. Publishing this wonderful and important message will not be forgotten by our Lord Jesus. **"The Lord gave the word: great was the company of those that published it!" (Psalms 68:11)** May the Lord continue to guide and bless you.
