

Dear Harvest Partner,

The world has passed the point of no return. All religion and political factions agree to the coming changes that are about to befall the people on this earth. The most important changes to come is to track all individuals at the very moment where they stand. **Technology is being assembled and is in use already, but will become the law of the day to every individual on this earth. All of these coming laws are preparing us for the coming anti-Christ system.** I had promised last month to bring information on Mystery Babylon and about the Statue of Liberty, who made it and how he made it. I will have to continue that at a later date. - And now a wonderful message from Neal Frisby's library:

Once Brother Neal Frisby wrote **5 Seconds to Chaos**: "Let us project the frightening possibilities. It would mean in one second the anti-Christ could identify every person in the United States as well as the world. One more second, identify all who are Christians. In the 3<sup>rd</sup> second identify the street you live on. 4<sup>th</sup>, he could identify the number in your family. 5<sup>th</sup>, program all computers to track you at any location in supermarkets, department stores, banks, to indicate that you were forbidden to make any transactions. **Note: The anti-Christ by using the god of electronics in combination with other magnetic inventions will control the population!** In fact the machines that men invent will finally control them in a society of illusion!"

**Continuing Prophecy** - "One of the crises facing not only the world but the United States too is the enormous forces of nature that will destroy many parts of our land; inland and also including the cities along the sea shores! **Plus the sudden devastating earthquakes. (Luke 21:11)** We may add to this the cosmic-like storms coming out of the Arctic, and the strong winds that will cross the four corners of the earth! Plus the apocalyptic whirlwinds from the sea! This shall include tidal waves. - We see today mankind is faced with pollution and the coming of more pestilence (Note: Concerning the corona virus pandemic, read what Brother Frisby wrote in this article).

**The U.S.A in Prophecy** - "Is our nation gradually coming under a curse? Are sins and crises in our nation revealing this? It seems the planet conjunctions of the past and coming and previous eclipses, plus signs in the sun and the moon are broadcasting God's displeasure in this nation of providence! Evidently according to this and the prophetic signs they are telling us, the shadows of death and woe are slowly moving over the U.S.A! - Notice, when a nation consumes as much alcohol as the nation, a curse rides right along with it! And when a nation uses tons of cocaine and heroin with so much addiction among the youth, plus many forms of narcotics, a curse begins to cover the land! **And when the Bible is rejected by humanistic reasoning and is taught in our schools, judgment follows! - Prophecies tell us all of this is so!** - The U.S.A. will soon enter the blackness of an ecliptic moment as she heads towards the Great Tribulation. - **God's hand of destiny is still upon this nation, but how much longer? Time is short to work!** The influence of coming events will take this nation in another direction! - One thing for certain some of the things we have spoken about are fulfilling and others will be fulfilled! (Jer. 8:7-9) - **Despite the perilous times in the world, the Lord's children are living in a joyous and momentous hour! We are finishing up the harvest work! - The key words is: work, watch and pray!**" End of quotes. This was a wonderful message by Brother Frisby outlining the exact time we are living in.

This month I am releasing a wonderful new book with two sermons in it called, **"Jesus the Infinite God/Daily Contact Prevents Snares"** and also DVD, "Faith Booster." - Thank you for your support and offering and your prayers for it is vital to this ministry. We are seeing vital events take place. I will be praying for you daily.

Your Brother in Christ,

*Gerald Frisby*
