

Dear Harvest Partner,

As we are coming to this time of the year, it's a season of holidays. With Thanksgiving just around the corner we know Christmas follows very shortly thereafter. **This is a time to rejoice and give thanks to the Lord for all the goodness He has shown us throughout the year. It also reminds us of His soon return.** – Many events are taking place to bring about a new world order. And while all of this is happening there are so many things to take our minds away from the awful events to come. It's like a diversion to keep you from seeing the real events that are transpiring. Underneath the banking crisis is still boiling. **More major events should be just ahead in the coming year 2010. And I want to remind you that somewhere up in that time zone should begin the 7-year cycle. This Scripture comes to my mind, James 5:7 says, "Be patient therefore, brethren, unto the coming of the Lord."** We see swift and great changes. One of the major events is that seemingly most people do not realize that the resources of the world are being gathered up. Soon there will be shortages of many of these resources. China is at the forefront. They just buy the entire company; sometimes hundreds of billions of dollars. They know that the world will meet at Armageddon. One time Brother Frisby spoke to me that while they talk peace and trade, they're making great plans for this coming Armageddon event. (More on this later.) And now a special quote from Neal Frisby.

**RUN PROPHECY RUN** – Never before have we seen such vital events take place so suddenly and so swiftly! Also many by the unexpected and surprise just as the Scripts predicted. "Important global prophecy is occurring all over the globe!" Everywhere we look we see crisis and judgment transpiring around the world. Scripts and Biblical prophecy is speeding up. – "The final prophecies to our Church Age concerning the elect are now coming to a conclusion!" Soon time will be no more for God's true children! – The man (Jesus) like the parable says has been on a far journey and is returning. Of course He being the Almighty spirit has been constantly with us too! Our generation is nearly up! – **"Jesus is separating and choosing His children daily now; this is no hour to be spiritually sleeping! For He is now guiding us with a more sure word of prophecy than ever! The day Star has arisen in our hearts and is guiding us in His light!"** "Apostasy abounds all around us, but the sweet spirit of the Lord is truly with all those who are believing, watching and praying! We should see the Master face to face soon; as the world in amazement begins to wonder after the beast powers!"

**A TIME TO BE AWARE** – "One night events came before me like flashes of lightning of the disasters, screams, desolation and destruction that will begin to cover the earth! The unexpected and surprise will still be occurring in the years ahead! – We are seeing International changes occurring now that have already been predicted. And more global events with extreme importance will be stepping forward to fulfill their part of God's plan of destiny!" – "People's minds will be changing more and more. Shocking situations, altering and unbelievable occurrences are casting their shadows." – **"Watch, be on guard, saith the Lord!"**

"This is the hour of escape. The time cometh wherein there will be no way to escape! Also I know the suffering, prevailing and waiting of ye and my people! You must pray and work swiftly for the last pages of prophecy will soon be fulfilled concerning my people and the Church Age!" – **"So therefore saith the Lord, be a good soldier of the Cross! Take courage, I will never leave thee nor forsake thee! – Soon my people will shed no more tears; and only bliss and joy will reign with you and those who love My appearing!"** – "Believe this with all your heart and you will certainly experience the transforming change that will soon be a reality forever! Therefore comfort your heart for soon ye shall see me as I am, the Lord Jesus! I am the same Jesus that appeared thousands of years ago! – I am ready to come again!" – "And say unto thy friends, the Lord cometh soon, and hath not forgotten His promises or people!" End quote.
