

Dear Harvest Partner,

What an ecliptic moment of time! As I was writing this letter there was a lunar eclipse on Oct. 18th and it covered the Americas, Europe, Africa and Asia. At this same time the government decided to reopen after being closed down for 16 days. In this letter I will bring some facts that have happened prior to this eclipse. I noted in past letters that the 17 year cycle started as well as the 7 year cycle. Then the 14 year cycle started. A special date, August 23rd, I also noted in my past letters. **The next major event will be Nov. 3, 2013 – a total solar eclipse. It is the first of four hybrids that NASA mentions on their web site. It will cover the Americas, Europe and Africa.** Now there is one more date. Starting Jan. 2 through Jan. 22, 2014 this will be another major event in the time cycles. The debt ceiling was postponed until Jan. 15, 2014. Possibly another major battle? – **Also April 11 through May 11, 2014 another major event starts. The heart of this major event is April 23, 2014.** – A newly discovered comet called Ison is appearing around Nov. 28, 2013 in our solar system. NASA also noted that an asteroid came close to earth in Sept. 2013. The heavens are talking!

A startling event, a 400 mile deep earthquake measuring 8.3 in magnitude in the Pacific Ocean on May 24, 2013. It was the largest earthquake ever recorded, puzzling seismologists, shaking Russia and China. **Sept. 24, 2013, a 7.7 magnitude earthquake in Pakistan killed 825 people. At the same time an island appeared off the coast of Pakistan in the Arabian Sea. Science is now studying it. Brother Frisby once wrote that before the Lord's return islands would appear out of the sea.** In the north the glaciers are receding at such rapid speed that tree stumps and roots are appearing, once a vital forest, indicating a global climate change is occurring. According to meteorologists mega droughts are coming as well as mega fires. A mega fire is taking place in Australia as I write this letter. We will have to continue this and about the financial conditions in our January letter and also the Babylonian system.

The elect will catch the gospel vision and should run and work swiftly now in telling of salvation, deliverance and return of the Lord! **The midnight cry is here, Matt 25:6. We can see the signs in the heavens, beneath the earth, the shaking and travailing of nations. The Scriptures say, "Be ye also ready, for in an hour ye think not the Lord will appear!" – Means to be ready in the Word, the anointing, in faith, believing in the miraculous! His people will not only be praying but also watching as the prophecy and signs unfold around them! Tremendous influences are coming upon civilization and this is the time to prepare!** – At the first of the year, Jan. 1, 2014, new laws and strict controls will be implemented, changing life as we know it. – And now a special quote from Neal Frisby's library.

THE PROPHETIC PENDULUM SWINGS – Celestial events – Jesus said, when we would see the signs and wonders in the heavens (Luke 21:25) the seas and waves would be roaring! There would be distress and perplexity among the nations! This means the weather patterns would be disrupted, and the winters and summers would be extreme! We are witnessing this now! Plus the Scripts said years ago that the weather and nature would not be in its proper order, etc. **"Behold saith the Lord, before I make all things new most parts of the world will be shaken, burned, turned upside down, and the mountains and cities will be spread out like the sands and the rocks! Yea, for a mighty upheaval and unexpected changes shall be in the forefront. Behold, be ye also ready for the hour approaches for all to be fulfilled in this generation! – Witness saith the Lord while ye have the light with you for soon darkness shall replace the true light thereof!" Luke 21:33, "Heaven and earth shall pass away, but My Words shall not pass away!"** End quote. – How wonderful it is that the Word of God is true and will be with us in every way while on earth as well as in Heaven. I want to thank our partners and those who have been with us for such a long time. It has been a wonderful friendship and help. As we see here in Arizona the autumn leaves are turning colors and falling and in the mountains it is chilly and in some places snowing. **Just like the leaves change colors in their cycle, the Elect will soon change, but their cycle will be forever!** – At this time of year we want to give God thanks and be very thankful for each and every day He has been with us. As we approach Thanksgiving I would like to wish each and every one of you a very Happy Thanksgiving.

This month I am releasing a wonderful book called **"The Coming of the Lord"** and a beautiful DVD called "Lights Uttering." – This is a wonderful time of year to remember the Lord and His work. We've had many added expenses and really need your best support. My trust is in the Lord and I know you will do the best you can. May the Lord Jesus prosper and bless each and every one of you and guide you in His most wonderful way.
