

Dear Harvest Partner,

An extreme whirlwind of events has arrived. Prophecy is fulfilling all around us. Since our last letter many strategic events have taken place including a very vital and important event. Japan's last election brought in sweeping changes to the Japanese government. The new Japanese Prime Minister has pledged better relations with China to bring the two nations together. **Now this is one of many prophetic events the Bible speaks of.** Japan, after WW II has been a friend of the United States. **But to fulfill the prophecy that during the Armageddon war the kings of the east shall come down for spoil, (Rev. 16:12, also Dan. 11:40 and 44) all of this culminates at the Battle of Armageddon.** – The fact that Japan is returning to the Asian block of nations fulfills the prophecy of the kings of the east. This prophecy does not bode well for the U.S.

A new survey of the economy – the government says one thing, but the economy says another. With the approaching commercial real estate collapsing with bankruptcies and mortgage foreclosures, also another round of house loan failures seem to be on the horizon as well. **All of this means a greater round of bank failures and will bring us into a new banking crisis.** The government has already allocated 11 trillion dollars over the next 10 years. That is greater than this nation can afford. Our trading partners are not buying as many of our bonds as they did in the past. **This means that the Federal Reserve has been buying all of the bonds necessary to keep the government running. Our trading partners know that this is inflationary,** which is also putting greater pressure on the U.S. dollar. This is causing many countries to call for their gold reserves back home. Hong Kong recently demanded their gold reserves to be sent to them as well as the Arab nation and trade center, Dubai. Also Germany has asked for their gold back. All of this is pointing to a major shift in world power. With the huge U.S. debt the sun is setting on the U.S. as a super power. The next move will be a one-world government. Already the United Nations wants a new global currency to replace the dollar. – **We are at the end of the age. A time limit has been put on man.** Now a special quote from Neal Frisby.

“Is the end time really approaching? Are we seeing the last signs? Yes! – The fact that the 6,000 years of man's week will be up indicates that the Lord will be coming very soon! We are now witnessing crisis after crises in this generation with more appearing daily. We see a rise in crime and violence, the expanding world population, creeping famine slowly ravishing the nations, the sly movement of Communism (Russia and China) eyeing Israel and also the Arab armies that surround Israel. **Perplexity of nations because of the frightening aspect of nuclear war, the moral corruption and the apostasy on every hand. All of these are real signs that the end is near!”**

“Daniel the prophet wrote in speaking of this age, at the time of the end many shall run to and fro, and knowledge shall be increased. This included also science and inventions! (Dan. 12:4) The prophet wrote, The end thereof shall be with a flood!” (Dan.9:26) “Means that many events will occur all at once!” – **“As we have already written on the Scripts, as the age begins to end there will be a sudden rush of political, science, financial, moral and society changes that will literally cause the earth to tremble making way for a world system!”** A time of political and internal upheavals of such startling magnitude that the nations will cry desperately for a super dictator! And according to prophecy one is on earth now and will appear soon! “The rapid development of world events reveal to us that we must work swiftly.” “So we see with all of these facts before us Jesus can come at any time! – But one thing we know is, that His return is very soon! So let us work urgently in the harvest to do all we can to make way for our King! For soon we shall see the fulfillment of Ps. 98:1, 8-9 and Ps. 99:1-3.” – **“The Lord reigneth; let the people tremble: he sitteth between the cherubims; let the earth be moved! – The Lord is great in Zion; and he is high above all the people. Let them praise thy great and terrible name; for it is holy!”** (End quote)

This month we are releasing the **new Book of Prophetic Special Writings**. There are 18 wonderful faith building writings in this book. Also I'm releasing a new DVD called “Faith Wills.” (See offer below.) What a wonderful time to give a helping hand to publish this book. Your kind help will allow us to continue to publish all of the Special Writings into book form. I know there is a special blessing upon this project. May Jesus continue to guide you and prosper and bless you in the days ahead.
