

Dear Harvest Partner,

We are witnessing the signs that the end is near. The weather is truly wreaking havoc with apocalyptic damage and will only get more severe, with earthquakes and volcanic activity approaching a scale on which catastrophic damage can happen. **Adding to this, with all of the financial troubles the world has entered into another desperate hour concerning a worldwide banking crisis. Some countries in Europe are on the verge of bankruptcy.** The only tool they have left against it is a printing press, which in the end will be the weapon of mass destruction, as we have witnessed in history, destroying all governments that overused the printing press. More on this later. I found a valuable writing that should be read again from Brother Frisby's library. And now a quote from Neal Frisby.

"The earth is living in a dream world made up of fantasy instead of reality! In a world that anything can happen at any moment and will in the time ahead. **The population will swing one way and then another way, back and forth, unsettled. Unexpected events will surely take place and they will march to the tune of a world system!** – And it shall come as a snare; suddenly in an hour that you think not. Changes will come overnight at pivotal points as the age closes. World leaders will rise and fall under pressure until the evil and sinister figure arrives! – Nations will be controlled by robot electronics and new inventions as predicted. "There seems no shame." Our streets are filled with X-rated men and women the way they look and act. They will become bolder, more sadistic and savage. The scenes we see on the streets today, if we had seen 40 years ago we would have thought that we were on another planet. – **Time marches on! "Jesus is coming soon!"** – In most of our big cities there are more prostitutes on corners than there are churches. The air will be filled with sensuality day and night! – Apostasy will swell until the cup of iniquity is full. The immoral conditions will continue as we predicted years ago, things hidden are now out in the open for one to see in magazines, television and movies!"

"Also concerning the Gentile church, we are entering the cycle of the full corn! This will begin to pick up momentum and then it says 'immediately' He putteth in the sickle!" (Mark 4:29) "Because harvest is come! . . . We are also witnessing Matt. 13:30 the growth of the two together is ending!" **The tares (false system) are separating now for bundling but the wheat (elect) are uniting in the final harvest!** Because just around the corner persecution will occur and Jesus will take the elect up!

Concerning Rev. 17:1-5, "will come into more prominence, affecting not only Russia but the USA as well! Her 'golden cup' of wealth will be controlled by this figure soon in." (Dan. 11:36-40 – Dan. 8:25) And after a world crises a boom again in great growth, followed by apocalyptic judgment! – We are also witnessing this Scripture of the gathering of silver and gold that is to occur in the last days! (James 5:1-4) And this will continue a little more, then the final new economic system will appear and all currency will change into something new, then directly into a government religious economic mark! (Rev. 13:13-16)

"The weather will be a mixture of madness and turmoil concerning nature! Cold icy chills will dominate parts of the planet. As we predicted before – famine, volcanoes and droughts in diverse places and are increasing in worldwide proportions! Also on the other hand giant devastating storms and floods will come to various locations! **We will see the greatest winds and tornadoes the world has witnessed! Later in the age, hurricanes and typhoons will be beyond the imagination of some until they see it occur!** More sky phenomenon concerning lights will be seen! Also Jesus said there would be signs in our solar system, warning the earth of coming judgments.

"As the lamb turns to a dragon and evidently before the end of the Tribulation Old Glory (our USA Flag) will probably be changed or carry a new symbol. – Also Israel's Star of David Flag could be changed during the time of the rule of the false messiah!"

"I will restore all things again unto my elect, saith the Lord!" Joel 2:23-25 is soon to reach its fullness! – "The plague sign, diseases and epidemic will sweep the earth along with new violence! Earth will be covered with its own blood with epic proportion. Later in the age the Vatican will go through tremendous changes. Its leader and headquarters will be moved because of the threat of atomic annihilation and afterwards Rome and the Vatican will be destroyed by fire! . . . But before this a new and different type pope will arise." End quote. As one can see Brother Frisby has revealed a very dangerous time for this world.
