

Dear Harvest Partner,

We are entering the appointed time. Looking forward, as we enter this time of the year, many events lay just ahead concerning major problems with the economy and events in the Middle East as well as Europe, Russia and China. **Celestial signs appearing: a total lunar blood moon occurred on Sept 7, 2025, quite spectacular. NASA has been watching, tracking an object in outer space coming towards Earth. Something to watch! (Luke 21:25)** – A rumor of \$37 trillion debt crisis.... Trump plans to fix it with gold and Crypto. (More on this later.) Now an important message from Neal Frisby's library.

“My, what a prophetic era of time! We see signs in every direction pointing to the soon coming of Jesus! (Luke 21:25) – Vs. 26, “reveals that men's hearts will fail them for fear because of the overwhelming events that are coming upon the earth!” – Vs. 34, Jesus said, **“Take heed that the cares of this life, cause that day to come unawares!”** – “This in itself reveals the exact hour that we are living in! People, even some lukewarm Christians have put everything in this life ahead of the Lord!” – “Jesus said, remember Lot's wife, because she looked back on the cares of this world and what was in it she never went out with the angels like the others!”

“Jesus said when these things shall come to pass, know that your redemption is nigh! He was talking about many of the events shown in Luke chap. 21 and Matt. Chap. 24! And we have absolutely seen most of those signs fulfilled in our generation! We are living in the final prophecies concerning the elect church! It is in preparation of Translation! . . . And we can foresee that the coming of the Great Tribulation is just around the corner! And of course Armageddon looms in the not-too-distant future! And the powers of the heaven has been shaken by atomic weapons giving this generation warning many years ago that the final showdown will come in our time!” – **“The earth is shaking underneath the planet as fire from within the center of the earth is spewing out! Great volcanoes all over the earth are blasting out like a mighty trumpet of fire warning of world change and crises and the coming of Christ!”** – “The seas and the waves roaring; the weather pattern hectic! Starvation and famine coming to many nations!”

“We are in the presence of a turning point in human affairs so immense that people do not perceive it! This includes many events that will soon take place! **Time will reveal to us the shadow of things to come! World leaders are going to bring vast changes as society is entering a turning point!**

“We have seen great and unprecedented changes already, but events are going to shake the very foundations of society! In fact profoundly alter the nature of man's survival! I foresee developments in the future that will absolutely turn around everything that's in its path heading into a new direction! A vision of a new world order is now being promoted in secret by a select group! This along with other events will merge into the apocalyptic event of the Great Tribulation!” – “We are seeing prophecy fulfilling all over the world! Wars and rumors of wars! We see chaos and instability almost in every nation! Worldwide distress is on every hand! Unrest, fear and perplexity is everywhere!”

THE PROPHETIC CLOCK IS TICKING – “This generation is climaxing! – The nations are at the crossroads! – The hour of decision is slipping away! – The moon in symbolism is at eclipse! – The last picture of the sun is going down. And in the not too distant future the sinister shadows of the beast power will darken and spread across the earth!” – **“God's great wings of compassion and healing are spread out! – He beckons with His Word and Spirit for His children to hurry and abide under the protection of the Almighty!”** – For soon the religious leaders will be dumbfounded; the politicians will be in confusion; the populous will be perplexed! Society as a whole will be in disarray! – The weather in nature will be out of control, the earth will shake with divine displeasure! – The sea will be out of its bounds!” – “Terror will reign in the cities . . . no safety! – Perilous times in the streets! – Law enforcements cannot cope with the murders, rapes, robberies, gangs and rebellious youth!” – **“Lights appearing in the heavens forecasting earth change! – Ominous feeling that Christ is being rejected by the masses! – During this time the sun will be heating up, its sun spots at maximum!”** – “Nearing an era of terror, soon this planet will disclose the figure of hell, the son of Perdition! – New weapons forming, science reaching a zenith! – The shadowy angel of pestilence and destruction will soon appear; Abaddon will cast his woe! – Death will ride the apocalyptic horse! – The flame of hell follows close behind!” – “As I sat down, this prophecy just poured out! At some point it will come to its final conclusion!” – “It will not be too long from now, because at the beginning it said . . . our generation is climaxing . . . it is nearing its peak concerning time allotted!” – “Praise Him – be ye also ready!” End quote. – Brother Frisby's message definitely indicates that we are at the appointed time!

This month I am releasing a wonderful book called **“THE REVELATION IN JESUS”** includes three other sermons you won't want to miss. – We had a wonderful summer in our foreign fields. Many people were blessed, saved and received a generous supply of Brother Frisby's material with our personal representative. Your prayers and support made all the difference. May the Lord bless and guide you at this most important hour. Again I want to thank you for all your support of Brother Frisby's ministry.
