

Dear Harvest Partner,

Events are accelerating in all directions in all parts of the world. **The speed of events is definitely a sign of the soon return of the Lord for He spoke of these events coming as a flood.** It seems it hardly takes one event ending before another one is starting. **This evidently points to the new 7 year cycle coming and we should be expecting the unexpected.** Jesus is going to watch over His people and guide their every step for now is the time that one does not want to wander, for straight and narrow is the path! But with the help of Jesus He will guide us and keep us until He returns. The cup of iniquity is full. Many events have happened to show there is worldwide judgement taking place. Disasters and violence seem to be the order of the day. **It seems as if in the near future there will be a great shaking, an earthquake, to go along with the violence. (Luke 21:10-11)** Every nation has had some sort of catastrophe. – Heat waves, floods and fires. Millions are without resources or food. These events will bring all nations together in the end. **They are also talking about a peace agreement in the Middle East. If this happens this could fit in with the new 7 year cycle coming. This event will be one of the final pieces of the puzzle to bring about one world government controlled by the anti-Christ.** It is my belief that this event will take place all of a sudden without warning. Now let's take a look at how Brother Frisby has written this. And now a quote from Neal Frisby.

“We are nearing the last stages of this earth, the most vital time ever for the nations is just ahead! We are about to enter the final prophetic footsteps of the age. The hidden prophecies of the ages will reveal themselves in a new and startling way! The people of God will see them more than ever, but the world will not see nor understand the significance!” – **“Israel and the Mid East will be in the spotlight. The Jewish Temple will come in the forefront in the age that we spoke above! Plus they will sign a document of peace – a covenant of deception with a world leader who is alive and will be revealed in the coming time frame!”** “True men formed the first 13 colonies that expanded into what the United States is today. And false men will bring it to its end in disaster!” “I predict the events that take place will totally change the life movements of this planet more so than any in the last 6,000 years!” **“We shall see the system of Great Babylon rising to the forefront!”** – “What about the economics? – As you know we wrote before there will be recessions and prosperity. But two things will occur to further reduce America's economic and political power! **The European Common Market has come into political and financial prominence! – Some say it will be stronger and larger than the United States finally!”** – “Also remember when the Treaty is signed the Vatican also is connected to this movement!” “At some point the dollar probably will collapse and a new type money mark will come out of all of this!”

“First we see the rising of Rev. 17:1-5, and then it will lead to Rev. chap 13! – As we are seeing the first event taking place the elect should definitely be preparing for revival and translation! It is a sign and a witness to all of God's people!” – **“In the era ahead events will take place suddenly like unto a flood, they will transpire quickly; and at times all at once!”**

“What about the weather? The population explosion coupled with world famine will bring on disastrous effects!” **“Great storms will sweep the planet. Floods in one place, droughts in another.” – “The Poles and the sea currents is going to bring worldwide weather changes concerning the whole earth!”** – “Fiery plates are moving under the sea and will actually change the geographical locations of different areas of this world! Tremendous upheavals and jolts are on their way!” End quote.

This certainly is the hour to do all that we can to testify of all of these events and to give a warning. The midnight cry goeth forth! (Matt.25:6) This message contains some of the most valuable prophecies, which brings me to two new Special Writings, **“Israel – God's Prophetic Timepiece”** and **“The Signs of Prophecy – Midnight Cry.”** Also I am releasing a DVD called “Battleground.” (See offer below.) – The harvest days will soon be ending so let's do the best that we can. Jesus will prosper and bless all of you who help in this end time message.

Your Brother in Christ,

Gerald Frisby
