

Dear Harvest Partner,

The past and the future is now in front of us. Economic crisis is now unfolding. A new war has just started and it is a currency war. **China has just implemented the first stages of the war by devaluing their currency twice in one week rattling financial markets all around the world.** First the stock market, next could be the bond market and then finally the derivative market which is the largest credit market, altogether worth **\$1.5 Quadrillion.** It controls the debt of all nations as well as the credit markets. Approximately 60 trillion dollars is now the debt of the U.S.A. and Europe. **Surprising thing about this is that there is approximately 1 trillion cash dollars in circulation worldwide and the rest is all credit. \$250 to \$300 billion in cash is all that is in the U.S. (nobody knows for sure) and that is disappearing fast.** – This September many events are about to take place. Just a reminder that the first time in U.S. history in Congress the Pope will address them on Sept. 25th. And then will proceed to the United Nations to address all nations. Our future lies right in front of us. And now an important letter from Brother Neal Frisby's library.

“We are living in a day like unto the sign of Noah all around us. The evil and days of Sodom are in every direction, wherein the time of world evangelism and the sign of the budding of the Fig Tree (Israel) restoration, we are in the sign of the last generation, and the sign of distress, perplexity of nations! The powers of the heavens are shaken by man's inventions!” – “All this reveals the sign of the translation and His return is soon! – According to the Scriptures the translation takes place during the first half of the 7-year Tribulation, evidently during the midst of the 7 years. (Rev. 12:5) – Then following this we see Satan come down among the people in the beast in his fullness! – Then the following verses reveal the foolish virgins fleeing into the wilderness; these are called the Tribulation saints!” (Rev. 7:14) “The Scriptures clear up the confusion among many today and we know where we stand concerning the Translation!” – **“Events never seen before will occur. Staggering and unbelievable occurrences will transpire, shaking the very foundations of society! – And evidently will grow worse leading into the apocalyptic events of all time! The book of Revelation will be literally alive in fiery prophecy!”**

“The horseman of terror will mount! (Rev. chap. 6) The white horseman imitator of Christ, deceiving by peace and prosperity, promising end of all wars, but will bring the worst one!” – “The red horse shows a slaughter of mankind in this evil system! – All who resist will be slain and some will flee!” – “The black horse reveals a famine for the true word of God plus it predicts the worst famine and starvation that the world has ever seen! – Without the mark none will be able to eat or work during those horrible times! – The U.S.A. and all world currency is obsolete here!” – “The white horse has literally turned into the pale horse of death, the last one of the Apocalypse; horror, death, destruction and hell follow him! This is Armageddon!” – **“You can sum the whole matter up in a few words, Satan and the anti-Christ deceives them (#1) – (2) kills them – (3) starves them – (4) destroys the earth and takes them to hell!** What a delusion and deception, and most of the population fell for it, because they believed not the truth . . . except the wise were translated beforehand!”

“In order for the new world economic system to appear that is prophesied in Rev. chapters 6 and 13, what strength that is left in the United States dollar must be destroyed! – A final economic collapse would silence the Christian voices in our nation and the rest of the world!” – “Our government and all governments are so deep in debt (by trillions of dollars) that sooner or later the blowout will come! Electronic computers and new inventions are set up to control commerce and finally the people and all things with which they are associated – banking, buying, selling, and etc.!” – Prophetic look – “Future wars will be directed by decisions made by computers; electronic push button command! – Sources leading to the anti-Christ system already claim bio-computers can later solve the world's unemployment, energy shortages, medical cost, industrial problems, food shortages and money crises! – But according to the Scriptures all of this will finally fail!” – **“It is said, that all the memory and data that is in all present computers in the world could be stored in a space no bigger than a sugar cube in the new coming super computer! – Now everyone can see this Scripture fulfilled, controlling the masses! (Rev. 13:13-18) – Did you notice it reveals calculation?”** End quote. – The age is now being totally converted into a digital world. It appears that a new economic system is not far away.

This month I am releasing a book called **“Daniel's 70th Week - The Time Cycles” (Part V)** and also a DVD **“Knowledge Expansion.”** – I've started a new project of placing the new book **“Revelation Numbers”** on Amazon as well as all of Brother Neal Frisby's books. We're turning from Summer to Fall and there is no better time to support the message of Jesus coming soon! Please don't forget our projects. I really need your help to do this and I know Jesus will prosper and bless you for all your effort and help. May His wisdom and love be with you.
