

Dear Harvest Partner,

Brother Neal Frisby predicted that we would cross over this century in a firestorm and the U.S.A. has had the worst fires in its history. **In Maui, Hawaii an entire community of Lahaina was wiped out with 115 lives lost so far and many still unaccounted for, and many of them are children. The fire moved at 1 mile per minute giving the people no time to escape.** There has also been great fires in Washington State and elsewhere we have had great fires in Canada with 25 million acres burned so far, and in Greece the largest ever wildfire in European Union history swept through the country with many lives lost. And now let us quote from Neal Frisby's library:

Element Fire – I predicted that we would cross over the century with a firestorm. Symbolically these fires are warning the US of the atomic holocaust that is coming. Harbingers are casting their shadows before. **Joel 2:3, “A fire devoureth before them; and behind them a flame burneth: the land is as the Garden of Eden before them, and behind them a desolate wilderness; yea, and nothing shall escape them.”** – Also I might add in Chapter 1 in verses 7 and 8 it shows a modern futuristic robotic war! – “They shall run like mighty men; they shall climb the wall like men of war; and they shall march every one on his ways, and they shall not break their ranks. Neither shall one thrust another; they shall walk every one in his path; and when they fall upon the sword, they shall not be wounded.” It shows they did not fall – they were electronically controlled.

The U.S. released that the weather patterns have been completely out of order – erratic. **And not since records have been kept they have not seen such a phenomena.** (As I write this letter Florida is experiencing a devastating hurricane.) Plus powerful winds, super quakes, water destruction, volcanic activity will continue. **The tectonic plates under the sea and earth are changing the planet and are preparing for the Great Day of the Lord where the mountains will be leveled and cities of the nations will fall. (Rev. 16:19-20)** We are seeing shadows of this and more so will be coming. The Northern lights plus the Sun is acting up like never before. Powerful influences of all types are coming to play.

Besides a mixture of weather there will be a great drought come across the land. **You can prepare yourself for some powerful upheavals in the weather and the four elements.** If you notice the Lord is warning His children to stay prepared – steadfast! Within a short period of time there will be such powerful changes and upheavals that you'll think you're on another planet! To some it may seem unbelievable but it shall be so, saith the Lord. They will think they woke up in a nightmare. – Worse!

Continued – Robotic technology and inventions work like magic. **Our whole way of life will change swiftly in the periods we spoke of. And the raging of the earth, people will continue uproar on every side, many without resources or food.** – We will have some asteroids coming, comets, and meteors, etc. In other words, the elements in charge. The thoughts and minds of people will go under another cataclysmic change. God leaves it as a mystery for His Elect to think about.

Some will never dream what they're going to see. We can look back and finally see what God has given us. It will back up exactly what He foretold! We're now headed for not only strange changes but also massive events. They'll never realize until it hits! **The divine purpose is hold steadfast! He's very close to those He loves.** (Note: A spectacular ring of fire total solar eclipse will occur on October 14, 2023, never seen before in the U.S.A.) - Joel 2:30, “And I will show wonders in the heavens and in the earth, blood, and fire, and pillars of smoke.” **Don't forget to remember always Matt. 25:10.** End quote.

This month I am releasing a book called **“Providential Time!” (The Prophetic Special Writings of Neal Frisby)** and also a DVD, **“Hell – A Place”** – This summer we had a great expense in helping our overseas partners in distributing the literature. They sincerely appreciated it! I know the Lord will bless those who help in this end time message. Jesus will prosper and bless you. Send in your prayer requests. Jesus love and keep you.

Gerald Frisby
