

Dear Harvest Partner,

In this time of tension and uncertainties the Lord led me to this quote from Brother Neal Frisby's writings. We've described many of the troubles in our past letters. As we face these troubles these words that Brother Frisby wrote will give you comfort and strength for these perilous times. Now a quote from Brother Frisby:

Prophecy – Not since God created this planet has people been so fearful of the future. They see the dangers of environmental chaos, worldwide depression, famine, nuclear holocaust, and social crisis. “Many students of the Word now begin to see this looms ahead. – **As we know the Scriptures foretold that many of these events would take place years in advance!**” – The thing to watch and will be dangerous for the future is the “electronic” age! They are entering what they call the 6<sup>th</sup> generation (revolutionary) computers. One such is called the super-triode. “A certain type computer will work in three dimensions! – **We read in Rev. 13:18 about a dimensional number 666... In dimension this represents the number, the name and the mark of the beast!** So it seems that the laser and the electronic age is working towards this Scripture and verse 15.” – “Also the computer is in development now with the prospect of bringing forth artificial intelligence, seen as a form of artificial life in it!” Also man can now use similar type of technology – they call the electronic beacon implant. “By putting a tiny device under the skin they will be able to track an individual by satellite, no matter where he goes!” – “This would be devastating in the hands of a dictator. No more privacy left! **The space age inventions reveal to us that we are near the return of the Lord!**”

“The Holy Spirit guides me to build faith and to strengthen your hearts and minds in the Lord! We are entering a fantastic and tremendous age, a swift and perilous one that will be dominated by fear and world-wide distress!” – “It seems in our large cities everyone is in a hurry and is rushing back and forth! – **Our society is creating pressure and tension; this is known greatly even among the young people which has not been noticed so much before!**” – Because of so much anxiety and mistrust the earth finally bands together to prevent the fear of destruction! This planet has entered the age of crises and turmoil; the beginning of no return of what it once was! – They band together, but it is the wrong kind of bond! – It is not in the Lord Jesus, so therefore they fail, and therefore they fall, and therefore they must meet him on His terms! (Rev. 19:14 -21)

“While the world is full of unrest, confusion and perplexity about the future, God gives His children a ‘real formula’ when He said, Be ye steadfast and unmovable! – He confidently says, Be ye not afraid, only believe! (Mark 5:36) – **Fear thou not for I am with thee!** – Be not dismayed for I am the Lord thy God!” (Isa. 41:10) – “While the world shakes, the Scripture promises are comfort to all that trust in them! God gives us a beautiful insurance policy! – We know there is no company that insures against fright or fear! But in the contract of the 91<sup>st</sup> Psalms he assures His children of this protection! – Verse 5, “Thou shalt not be afraid, for the terror by night or the arrow that flieth by day!” – Vs. 15, “He will answer you in any kind of trouble!” – Vs. 11, **“His angels shall watch over you in all thy ways!”** Vs 13, “No kind of demon powers shall defeat thee!” Vs. 7, “Though thousands shall fall from sickness or plagues, He will keep thee free!” – Vs. 2, **“And those that trust in the Lord, He will be an actual refuge and fortress unto them!”** – Vr. 1, “For he that dwells in Jesus in faith and praise shall confidently abide under the shadow of the Almighty!” – What a marvelous policy, what tranquil words to the soul! – And no type of policy can guarantee you long life, but Jesus does! (Vs. 16) And then says, “I will shew him My salvation, and this goes into eternal bliss – (Life forever!)”

**“God is our refuge and strength and very present help in trouble!”** (Ps. 46:1) – David backs up God's promises! – “Yea, though I walk through the valley of the shadow of death, I will fear no evil, for thou art with me!” (Ps.23:4) – Notice, it says, David walked, not ran! He quietly strolled in the presence of God! He had no fear of any evil power! – The shadow of death did not frighten him! Vs. 2, David said, **“He leadeth me beside the still waters!”** That means God gave him quietness and rest in his soul! Because he believed in God's promises, and they worked for him! – “And they are working for you in one measure or another; and **He will give you rest by still waters and he will comfort you from the shadows of death bringing peace and safety!** – No God like our God; blessed is the Lord Jesus! – For our boast is in Him!” End quote.

Let's remember Brother Frisby's ministry. To help in this great ministry will bring one of the greatest blessings, a prophet's blessing. We have another wonderful **New Book** this month called **“Run To Win!”** with three additional sermons. You will receive knowledge and vital information! Be sure to help us in our projects. Great is the company that publishes this gospel! (Ps. 68:11) Jesus will prosper and bless you. Also send your prayer requests.

Your Brother in Christ,
