

Dear Harvest Partner,

DECEMBER 2014

We are approaching a new world government known as the new world order. It is becoming a reality right before our eyes. As we are approaching the return of Jesus there has been a great amount of conjunctions and signs in the heavens and strange solar and lunar eclipses. Additional signs are coming which I will cover in the January letter. **As we approach the end of the age Jesus himself declared that there would be great and also terrible signs in the heavens. (Luke 21:25) These prophecies will not change; great signs shall there be in the heavens as well as on the earth. (Luke 21:11)** – Let us allow Brother Frisby to put this into a greater perspective. This is one of the most amazing Christmas letters to come from Neal Frisby's library. Trusting you will have a wonderful and joyous holiday.

“Let's reveal some facts about the baby Jesus and the coming King Jesus! – In His first coming there was one world government (Rome). And at His second coming the earth will be forming into a one-world government! Peace was declared at His first appearance and men will declare false peace about the time of His second appearance! **But there will be no real peace until He returns with His saints!**” (Rev. Chap. 19)

“When He came the first time there were wise men and they were drawn to Him! (St. Matt.2:1-2) When He returns as our King there will be ‘wise men’ again drawn to Him; it will be ‘the elect’ in the translation!” – “They were the wise ones who were watching for His return and believed in His promises! There were signs in the heaven when He came as a baby (we will list one among many!) Verse 10. – **And we have seen many signs in the heaven plus there will be yet many more major signs given from above just before His appearance again!** – In fact, He revealed to me that there are some astonishing and remarkable signs ahead!” – Should Christians also look for signs in the heavens? Is there good evidence that Jesus will return soon? – “There are two events that take place in history of such importance that they overshadow all others! His first coming as baby Jesus (Saviour of those who believe), the other is soon to take place, His second coming to catch away His elect by translation and reveal the Day of Judgment upon the earth to the unbeliever!” – **“What a wonderful moment when we shall see Jesus face to face and our bodies will be changed in the likeness of His! Praise Him!”** The Bible says the heathen will be dismayed by the signs in the heavens – but not the elect, they tell us that the age is ending! Jesus said that the heavens would point to His return. (Luke 21:25) He said signs in the moon; man has landed on the moon, just many of the signs taking place. Scientists have already seen puzzling things occurring in the sun, besides the awesome eclipses! “They also see strange and terrifying events deep in the heavens. And they see wonderful and beautiful creations never known by man, sparkling in the Universe like diamonds dancing in misty waters, gases glittering in majestic splendor in a myriad of colors, as if the deep heavens form a rainbow within itself predicting the redemption of God's elect!” – **“Behold saith the Lord, do you not remember the rainbow after the flood? For it was a sign of My promise. So therefore in the heavens I portray signs shewing forth the promise that I will fulfill for My people! – While rich men are seeking to gather more treasure, I seek to gather the greatest of all, the eternal treasure! – My people who are called by My name and who know Me as the Lord Jesus! Amen!”** – Gen. 1:14 says “the heavens are for signs and seasons and are unfolding God's revelations in a manner that man cannot entirely understand, but they are witnesses of His coming! – They are His expressed will and purpose! The heavens declare His glory, uttering His knowledge!” (Read it for yourself, Ps.19:1-3) “From the creation of the world the heavens were made to reveal the existence of the Almighty and His plan of the ages to come!” – “So as we approach the end of the age Jesus Himself declared that there would be great and also terrible signs in the heavens!” – “The written Word tells us of all these things! As Jesus said, fearful sights shall there be from the heavens!” – The written Word tells us of all these things! As Jesus said, fearful signs shall there be from the heavens! Also the powers of the heavens shall be shaken! (Atomic and space weapons) “The Old Testament predicted blood, fire and pillars of smoke! So we see we are not left without warnings of His soon return!”

“When Jesus was born in Bethlehem various signs in the heavens gave forth a witness. Also we are acquainted with the supernatural light that appeared to the Shepherds.” **“As the Shepherds saw the brilliance of His light and angels at His first Coming, so shall we see even more brilliance and visitation as we approach His Second Coming!”** The Wise Men saw and followed His Star in the East. They were wise because they knew who Jesus was, and nothing in the long journey kept them from coming to Him! They were led by ‘true signs’ and accepted the Saviour in full belief and positive faith! But yet Herod and the sinful Jews could see nothing and things were happening all around them before the birth of Christ!” – “Same thing today, many are unaware of what God is revealing in prophecy and heavenly signs.” – **“Other evidence is that we see crisis after crisis, famines, pestilences, quakes, the rise of terrorism, crime and violence.** The whole world is in the beginning of chaos preparing for world dictatorship! A man is alive now and will be revealed soon at the proper time! Even as the elect are gathering for the quick harvest and Translation! Let us not forget the Almighty's miraculous birth. First as a simple loving Christ, then our Messiah King! **Isa. 9:6, “For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace.”** Our Lord and Saviour. (Luke 2:8-11) End quote.
